Said easements and rights of way are for the following purposes.

The right to enter upon the above-described land and to construct, reconstruct, maintain, and repair a catch basin, extension of pipeline right of way for water storage tank, pipeline outlet from storage tank, of such dimensions and specifications as the Grantee may determine to be necessary, and the right to use the existing logging road in connection with the above-described installations.

It is understood and agreed that the United States, its contractors, or agents, may trim, cut, fell, and remove any trees, brush, and other natural growth and obstacles as necessary to provide adequate clearance

and to eliminate interference of hazards to the structures or pipeline on or over said land. It is further understood and agreed that the United States, its contractors, or agents, may appropriate from the land above described such rock, earth, or gravel as may be necessary for the construction or repair of said pipeline or installations.

The consideration above mentioned is accepted as full compensation for all damages incidental to the exercise of the rights above granted.

TO HAVE AND TO HOLD, all and singular the said easements and rights of ways, together with appurtenances, unto the grantee and assigns.

IN WITNESS WHEREOF, grantors have hereunto set their hands this

30th day of April, 1953.
