ing plants and reservoirs, all proven gas acreage as defined in Section 1.13 of the Mortgage, and all other properties, rights and interests, other than Excepted Property, acquired by the Company upon the merger of Pacific into the Company, including, without limitation as to the generality of the foregoing, (a) all such properties, rights and interests described in the above-mentioned Mortgage and Deed of Trust dated as of October 1, 1955 from Pacific to J. P. Morgan & Co. Incorporated and Robert P. Howe, as Trustees (hereinafter sometimes called the Original Pacific Mortgage), and the First, Second, Third, Fourth and Fifth Supplemental Indentures thereto, said Original Pacific Mortgage and Supplemental Indentures having been recorded in the real estate mortgage records in the States of Colorado, Idaho, New Mexico, Oregon, Utah and Washington as set forth below in Part I of the Description of Mortgaged Properties, reference being hereby made to such real estate mortgage records and to the respective instruments so recorded for a more particular description of all such properties, rights and interests so included herein, said descriptions being incorporated herein by reference and made a part hereof as effectively as if fully set out herein, (b) all properties, rights and interests particularly described in Part II of said Description of Mortgaged Properties, being properties not specifically described in the Original Pacific Mortgage or in the First to Fifth Supplemental Indentures thereto, and (c) the properties situated in the State of Wyoming and more particularly described in Part III of said Description of Mortgaged Properties.

DESCRIPTION OF MORTGAGED PROPERTIES

PART I

The following is a tabulation from the real estate mortgage records of counties in the States of Colorado, Idaho, New Mexico, Oregon, Utah and Washington showing the recordation by volume and page of the Original Pacific Mortgage and the First to Fifth Supplemental Indentures thereto containing specific descriptions of the mortgaged properties:
