The Mortgagors, for themselves and for their heirs and assigns, have covenanted and agreed, and do hereby covenant and agree to and with the said Mortgagee, its successors or assigns, as follows: They have a valid and unencumbered title in fee simple to said premises; they have the right to mortgage the same; they will not suffer or permit said premises to become subject to any lien or encumbrance that shall have precedence over this mortgage; they will neither do nor suffer waste; they will keep all buildings and improvements located upon the mortgaged premises in good condition and repair, and no building or other improvement will be removed or demolished without the consent of the mortgagee; and the taking of additional security, or the extension of time of payment of said indebtedness, or any part thereof, shall, at no time, release or impair the liability of any endorser or surety or security, or of any property that may occupy the place of a surety, nor improve the right of any junior lien holder, and this mortgage, as well as any renewal or extension thereof, shall be and remain a first and prior lien on all of said property not expressly released until said indebtedness is paid in full, and shall be security for payment of any renewal notes evidencing such indebtedness; they will render such further assurance of title as may be requested by the Mortgagee; they will warrant and defend said title unto said Mortgagee and unto his successors and assigns, against the lawful claims and demands of all persons whomsoever; they will pay all taxes or assessments that may be levied or assessed on said premises and all taxes that may be levied or assessed on this mortgage or to the holder of said note on account thereof at least thirty (30) days before they become delinquent. They will keep the buildings on said premises insured against loss by fire for their full insurable value by a fire insurance policy or policies with extended coverage during the time that the debt hereby secured, or any part thereof, shall remain unpaid. Said fire insurance to be in one or more responsible fire insurance companies satisfactory to the Mortgagee, the loss or damage, if any, under such fire insurance policies to be payable to the said Mortgagee; that Mortgagors will deposit with the Mortgagee all policies of fire insurance in force upon said buildings as collateral security for the payment of the indebtedness hereby secured and that they will deliver to the Mortgagee all renewal policies of fire insurance at least thirty (30) days before the expiration date. In case of loss and payment by any insurance company the amount of the insurance money shall be applied either on the indebtedness secured hereby or in rebuilding or restoring the damaged building as the Mortgagee may elect. If the Mortgagors shall at any time fail to keep said building insured, the Mortgagee, at its option, may declare due and payable the entire debt secured by this mortgage and the said Mortgagee shall always have the right in case of default to effect such insurance and to pay the premium therefor, and any and all sums so paid by the Mortgagee shall become and be a part of the debt secured by this mortgage and shall be a lien upon said premises, but in no event shall the Mortgagee be held responsible for failure to have any insurance written or for any loss damage growing out of a defect in any policy, or growing out of the failure of any insurance company to pay for any loss or damage insured against. That the Mortgagee is authorized to compromise and settle any claims for insurance, and to receipt therefor on behalf both of the Mortgagor and his assigns and the Mortgagee.

At any time during the life of this mortgage, if any law of the State of Washington shall be enacted imposing or authorizing the imposition of any specific tax upon mortgages or upon principal or interest of moneys or notes secured by mortgages or by virtue of which the owner of the premises above described shall be authorized to pay any tax upon said moneys, note or mortgage, or either of them, and deduct the amount of such tax from any such moneys, note or mortgage, or by virtue of which any tax or assessment upon the mortgaged premises shall be chargeable against the owner of said moneys, note or mortgage, or in the event the mortgage debt or the income derived therefrom becomes taxable under any law of the State of Washington, then the principal sum hereby secured, with all accrued interest thereon, at the option of the Mortgagee, at any time after the enactment of such law, shall become due and immediately payable, whether due by lapse of time or not; provided, however, that if notwithstanding any such law, the Mortgagors may lawfully and shall pay to or for the Mortgagee, its successors and assigns, any such tax, this mortgage shall remain the same as if such law or laws had not been passed.

Furthermore, to fully protect this mortgage, the Mortgagors, together with, and in addition, the monthly installments of principal and interest payable under the terms of the note secured hereby, will on the day of each month, until said note is fully paid, pay to the Mortgagee the following sums:

- (1) A sum equal to the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus taxes and assessments next due on the described premises (all as estimated by the Mortgagee), less all sums already paid therefor divided by the number of months to elapse before one month prior to the date when such premiums, taxes and assessments will become delinquent, said amounts to be held by the Mortgagee in trust to pay premiums, taxes and special assessments, as herein stated.
- (2) All sums so paid, being the amounts due on the original note secured hereby and the sums stated in this paragraph, shall be applied by the Mortgagee first to taxes, assessments, fire and other hazard insurance premiums, then interest upon the note secured hereby, and the balance in amortization of the principal of said note.

If the total of payments made under the provisions of this paragraph shall exceed the amount of the payments actually made for taxes, assessments or insurance premiums, as the case may be, such excess shall be credited by the Mortgagee on subsequent payments to be made by the Mortgagors, or may be applied upon the principal of said note. If, however, said amounts are not sufficient to pay said items, the Mortgagors further agree that they will pay to the Mortgagee any amount necessary to
