Longview Fibre Company to Aborigine Lumber Company

EASEMENT

THE LONGVIEW FIBRE COMPANY, a corporation, hereinafter called the Grantor, for and in consideration of the performance of the covenants and agreements hereinafter set forth to be performed by ABORIGINE LUMBER COMPANY, hereinafter called the Grantee, hereby gives and grants unto the Grantee, the right and permission to use the existing main logging road heretofore constructed by the Grantor over and across the Southwest Quarter and the East Half of Section 10, and the Southwest Quarter of Section 2, all in Township 7 North, Range 5 East, W. M., in Skamania County, Washington, together with the right to construct an extension of said road and to use the same on the Southwest Quarter of Section 2, Township 7 North, Range 5 East W. M., in Skamania County, Washington, for the sole purpose of transporting over said roads, timber removed by the Grantee from the Northeast Quarter of Section 2, Township 7 North, Range 5 East W. M., in Skamania County, Washington, and for ingress and egress to said property, until the first day of October, 1952.

The rights granted herein may be extended for a period of one (1) year from October 1, 1952, provided that the Grantee was unable to complete the removal of the timber from the NE $\frac{1}{4}$ of Section 2, Township 7 North, Range 5 East before that date and provided further that the Grantee, prior to the said date, shall have applied to the Grantor and obtained its permission for an extension for said period. At the end of said period or periods the rights herein granted shall automatically cease and determine.

A part of the consideration for the execution of this grant by the Grantor, are the covenants and agreements hereinafter contained, made and entered into by the Grantee by its acceptance of this grant;

1. The extension over the Southwest Quarter of Section 2, Township 7 North, Range 5 East W. M., will be located mainly on the Northeast Quarter of the Southwest Quarter of said Section 2.
2. The Grantee will build a road of suitable grade and alignment, properly ditched and drained for log hauling purposes.
3. The Grantee shall build said extension at its own cost and expense and will save and hold harmless the Grantor from all claims of any nature arising out of said construction and/or maintenance.
