Section 36, Township 3N, Range 7½E, together with the right of ingress and egress to and from said line or lines, or any of them, for the purposes aforesaid; hereby releasing and waiving, as to Grantee, all rights under and by virtue of the homestead exemption laws of said state.

Grantee agrees that after it has completed its survey of the route for its pipeline and has established the route thereof and before pipeline construction is commenced, it will pay Grantors, in proportion to Grantors' respective interests, a total sum equivalent to One (\$1.00) Dollar per lineal rod of pipeline so surveyed and established.

It is agreed that the obligation of Grantee to make any payment hereunder shall be satisfied by delivery of such payment to any of the Grantors for the benefit of all Grantors.

Any pipeline constructed by Grantee across lands under cultivation shall, at the time of construction thereof, be buried to such depth as will not interfere with such cultivation.

The Grantee shall have the right to assign this grant in whole or in part.

It is agreed that this grant covers all the agreements between the parties hereto and that no representations or statements, verbal or written, have been made, modifying or adding to or changing the terms of this agreement.

The interest of the Grantee in the property covered hereby is to be held by the Grantee subject to the lien of and in accordance with the provisions of the Mortgage and Deed of Trust dated as of October 1, 1955, from Pacific Northwest Pipeline Corporation to J. The terms, conditions and provisions of this contract shall extend to and be binding upon the heirs, executors, administrators, personal representatives, successors and assigns of the parties hereto.

TO HAVE AND TO HOLD said right-of-way and easement unto said Grantee, its successors and assigns until such first pipeline be constructed and so long thereafter as a pipeline is maintained thereon
