Grantee promises and agrees to pay any increase in taxes and assessments of every kind which may hereafter be levied or become a lien against the herein-above described lands, which increase is levied or assessed by reason of the construction, operation and maintenance of the pipeline thereon.

Grantor reserves the right to cross and recross the pipeline right of way with roads and in the normal course of logging with tractors and other logging equipment. Grantor reserves the right to fell timber on the pipeline right of way in the normal course of logging its timber crops from time to time.
