

HOME VALLEY VENEER UNIT - DESCRIPTION OF EQUIPMENT

Item No.	Type and Description
23	<p>Chipper</p> <p>One (1) Size #72 Sumner 6 knife bottom discharge veneer chipper with outboard bearing and vee belt drive, air operated corrugated crushing roll, and roller chain drive feed roll from 3 H.P., 1200 R.P.M., 440 volt General Electric induction motor. Feed conveyor discharge pulley. Order #P5202, serial #2655.</p>
24	<p>Chip System</p> <p>One (1) Archer Blower chip handling system consisting of:</p> <p>One (1) 10' x 7'6" Sloped bottom steel plate surge bin mounted on steel tower. Twin screw bottom chip feeder with roller chain and vee belt drive through Radicon right angle geared speed reducer to 5 H.P., 1800 R.P.M., 440 volt General Electric motor.</p> <p>One (1) Model #4x8 The Peters Co. double deck vibrating chip screen #111, job #2744, with vee belt drive to 3 H.P., 1200 R.P.M., 440 volt General Electric induction motor. Mounted on steel supporting frame.</p> <p>One (1) #2025-B Archer positive feeder serial #14378, with roller chain and vee belt drive through Radicon geared speed reducer to 5 H.P., 1800 R.P.M., 440 volt Allis Chalmers induction motor, with guards, stand and 2 feed Manzel lubricator.</p> <p>One (1) #7L-B, series #CALIF Archer blower, serial #A23200, with vee belt drive to 25 H.P., 1800 R.P.M., 440 volt Allis Chalmers induction motor, Serial #51-678-847-1468. Complete with stand, pipe and model U.C.Y.-8 Unisilco Silencer serial #62-522.</p> <p>One (1) Installation of 6" chip pipe to car loading, complete with bends, etc.</p> <p>One (1) Elephant trunk type car loader with motor drive, mounted on steel track tower with ladder and screen.</p> <p>One (1) Archer 5 H.P. single drum geared car mover, complete with end sheaves, cable and control panel. Serial #14378.</p> <p>Complete with pressure controls.</p>
25	<p>Drill Press (Shop)</p> <p>One (1) 20" Clausing model #22V floor model drill press with vee belt drive to 1 H.P., 1725 R.P.M., 115/230 volt, 1 phase motor, Serial #500424.</p>
26	<p>Grinder (Shop)</p> <p>One (1) #547 Porter cable 1/3 H.P. 6" double end grinder with pedestal base. Serial #2808286.</p>
