11-9-72	\$18,000.00	7 1/2	11-9-2005

and
WHEREAS, the note evidences a loan to Borrower in the principal amount specified therein, made with the purpose and intention that the Government, at any time, may assign the note and insure the payment thereof pursuant to the Consolidated Farmers Home Administration Act of 1961, or Title V of the Housing Act of 1949; and

WHEREAS, when payment of the note is insured by the Government, it may be assigned from time to time and each holder of the insured note, in turn, will be the insured lender; and

WHEREAS, when payment of the note is insured by the Government, the Government will execute and deliver to the insured lender along with the note an insurance endorsement insuring the payment of all amounts payable to the insured lender in connection with the loan; and

WHEREAS, when payment of the note is insured by the Government, the Government by agreement with the insured lender set forth in the insurance endorsement may be entitled to a specified portion of the payments on the note, to be designated the "annual charge"; and

WHEREAS, a condition of the insurance of payment of the note will be that the holder will forego his rights and remedies against Borrower and any others in connection with the loan evidenced thereby, as well as any benefit of this instrument, and will accept the benefits of such insurance in lieu thereof, and upon the Government's request will assign the note to the Government; and

WHEREAS, it is the purpose and intent of this instrument that, among other things, at all times when the note is held by the Government, or in the event the Government should assign this instrument without insurance of the note, this instrument shall secure payment of the note, but when the note is held by an insured lender, this instrument shall not secure payment of the note or attach to the debt evidenced thereby, but as to the note and such debt shall constitute an indemnity mortgage to secure the Government against loss under its insurance endorsement by reason of any default by Borrower.

NOW, THEREFORE, in consideration of the loan(s) and (a) at all times when the note is held by the Government or in the event the Government should assign this instrument without insurance of the payment of the note, to secure prompt payment of the note and any renewals and extensions thereof and any agreements contained therein, including any provision for the payment of an insurance or other charge, (b) at all times when the note is held by an insured lender, to secure performance of Borrower's agreement herein to indemnify and save harmless the Government against loss under its insurance endorsement by reason of any default by Borrower, and (c) in any event and at all times to secure the prompt payment of all advances and expenditures made by the Government, with interest, as hereinafter described, and the performance of every covenant and agreement of Borrower contained herein or in any supplementary agreement, Borrower does hereby grant, bargain, sell, convey, mortgage, and assign with general warranty unto the Government the following property situated in the State of

The borrower and the government agree that any ranges, refrigerators, clothes washer, clothes dryer or carpeting purchased or financed in whole or in part, with loan funds will be considered and construed as a part of the property covered by the mortgage.

- (6) To use the loan evidenced by the note solely for purposes authorized by the Government.
- (7) To pay when due all taxes, fees, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property and promptly deliver to the Government without demand receipts evidencing such payments.
- (8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.
- (9) To maintain improvements in good repair and make repairs required by the Government, operate the property in a good and husbandmanlike manner, comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe, and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.
- (10) To comply with all laws, ordinances, and regulations affecting the property.
- (11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions herein and of the note and any supplementary agreement (whether before or after default), including but not limited to: costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.
- (12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant covenants, partial releases, sub-ordinations, and satisfaction, and no insured lender shall have any right, title or interest in or to the lien or any benefits hereof.
- (13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.
- (14) The Government may extend and defer the maturity of and renew and restructure the debt evidenced by the note or any indebtedness to the Government secured hereby, release from liability to the Government any party so liable thereon, release portions of the property from and subordinate the lien hereof, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby except as specified by the Government in writing.
- (15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness so secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.
- (16) Default hereunder shall constitute default under any other real estate or under any personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.
- (17) SHOULD DEFAULT occur in the performance or discharge of any obligation incurred by this instrument, or should any or all the parties named as Borrower die or be declared an insatiable, a bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable; (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property; (c) upon application by it and production of this instrument, without other evidence and without notice or hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases; (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.
- (19) As against the debt evidenced by the note and any indebtedness to the Government hereby secured, with respect to the property, Borrower (a) hereby relinquishes, waives, and conveys all rights, inchoate or consummated, of descent, dower, curtesy, homestead, valuation, appraisal, and exemption, to which Borrower is or becomes entitled under the laws and constitution of the jurisdiction where the property lies, and (b) hereby agrees that any right provided by such laws or constitution for redemption or possession following foreclosure sale shall not apply, and that no right of redemption or possession shall exist after foreclosure sale.
- (20) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (a) neither he nor anyone authorized to act for him will, after receipt of a bona fide offer, refuse to negotiate for its sale or rental, or will otherwise make unavailable or deny said property, to anyone because of race, color, religion or national origin and (b) Borrower recognizes as illegal and hereby disclaims and will not comply with or attempt to enforce any restrictive covenants on said property relating to race, color, religion or national origin.

- (21) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.
- (22) Notices given hereunder shall be sent by certified mail unless otherwise required by law, addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, United States Department of Agriculture, at Wenatchee, Washington 98801, and in the case of Borrower to him at his post office address stated above.
