"5.09" Status of Sub-Leases. Termination of this lease, by cancellation or otherwise, prior to the lease termination date, shall not serve to cancel approved sub-leases, nor derogate from the rights of the lessees of record, but shall operate as an assignment to the State of any and all such sub-leases, together with the unrestricted right of the State to receive all sub-lease payments thereon provided for from the date of said assignment. Upon termination of this lease, by cancellation or otherwise, prior to the termination date of said lease, the lessee shall have no claim to sub-lease payments and/or sub-lease improvement values herein contained."

At election of mortgagee; if it so desires, if mortgagor shall fail to pay any installment of taxes, special assessments or other governmental levies that may become due, or if they shall fail to purchase and pay the premium on any policy of insurance, then the mortgagee may pay or advance such sums as may be necessary to pay such tax assessments, or governmental levy, or such insurance premium, and the amount so paid shall be added to and become a part of the debt secured hereby.

The mortgagor further agrees that if they should fail to make the payments as herein provided, or should they fail to perform any other covenant or condition of this contract, and in case of a foreclosure action, they agree to pay, in addition to the principal and interest then due, and in addition to any items of expense as are above mentioned, such sum as the court may adjudge reasonable as attorney's fees in such foreclosure action.

The mortgagor further represents that the funds loaned by the mortgagees and secured by this mortgage are to be used for improvements of the mortgaged premises.
