WHEREAS Section 8 of the Mortgage provides that the form of each series of bonds (other than the First Series) issued thereunder and of the coupons to be attached to the coupon bonds, if any, of such series shall be established by Resolution of the Board of Directors of the Company; that the form of such series, as established by said Board of Directors, shall specify the descriptive title of the bonds and various other terms thereof; and that such series may also contain such provisions not inconsistent with the provisions of the Mortgage, as supplemented, as the Board of Directors may, in its discretion, cause to be inserted therein expressing or referring to the terms and conditions upon which such bonds are to be issued and/or secured under the Mortgage, as supplemented; and

The Company further covenants and agrees to and with the Trustees and their successor or successors in such trust under the Mortgage, as follows:

#### ARTICLE I.

##### Thirty-eighth Series of Bonds.

SECTION 1. There shall be a series of bonds designated "8 $\frac{7}{8}$ % Series due November 1, 2007" (herein sometimes referred to as the "Thirty-eighth Series"), each of which shall also bear the descriptive title First Mortgage

Bond, and the form thereof, which shall be established by Resolution of the Board of Directors of the Company, shall contain suitable provisions with respect to the matters hereinafter in this Section specified. Bonds of the Thirty-eighth Series shall mature on November 1, 2007 and shall be issued as fully registered bonds in the denomination of One Thousand Dollars and, at the option of the Company, in any multiple or multiples of One Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof); they shall bear interest at the rate of eight and seven-eighths per centum (8 $\frac{7}{8}$ %) per annum, payable semi-annually on May 1 and November 1 of each year; and the principal of and interest on each such bond to be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts. The term "record date for the Thirty-eighth Series" as used with respect to any interest payment date shall mean the fifteenth day of the calendar month next preceding such interest payment date."

The Company reserves the right to establish, at any time, by Resolution of the Board of Directors of the Company a form of coupon bond, and of appurtenant coupons, for the Thirty-eighth Series and to provide for exchangeability of such coupon bonds with the bonds of the Thirty-eighth Series issued hereunder in fully registered form and to make all appropriate provisions for such purpose.
