and the grantor agrees to execute such financing statements as may be required by the beneficiary and pay, upon demand,
filing fees for any such financing statements and continuation thereof.

The real property covered by this deed of trust is not used principally for agricultural or farming purposes.

THIS DEED OF TRUST FOR THE PURPOSE OF SECURING PERFORMANCE of an agreement of Grantor herein
contained and payment of the sum of TWENTY SIX THOUSAND FIVE HUNDRED AND NO/100 Dollars
\$26,500.00 with interest thereon according to the terms of a promissory note of even date herewith, payable to the
order of Beneficiary and made by Grantor, and also such further sums of money as may be advanced or loaned by Beneficiary to
Grantor or any of their successors or assigns, together with interest thereon at such rate as shall be agreed upon.

The Grantor covenants and agrees as follows:

1. That he will pay the indebtedness, as hereinafter provided. Privilege is reserved to prepay at any time, without
penalty or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred
dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment, other than
an installment due date, need not be credited until the next following installment due date or thirty days after such
prepayment, whichever is earlier.

2. Grantor agrees to pay to Beneficiary, together with and in addition to the monthly payments of principal and
interest payable under the terms of the note secured hereby, on the first day of each month until said note is fully paid:

(a) A sum, as estimated by the Beneficiary, equal to the ground rents, if any, and the taxes and special assessments
next due or the prebids received by this Deed of Trust, plus the premiums that will next become due and payable
on such insurance policies as may be required under paragraph 9 hereof, satisfactory to Beneficiary. Grantor
agrees to deliver promptly to Beneficiary all bills and notices thereof, less all sums already paid therefor divided
by the number of months to elapse before one (1) month prior to the date when such ground rents, premiums,
taxes and assessments will become delinquent, such sums to be held by the Beneficiary in trust to pay said ground
rents, premiums, taxes and special assessments.

(b) All payments mentioned in the preceding subsection of this paragraph and all payments to be made under the note
secured hereby shall be added together and the aggregate amount thereof shall be paid by the Grantor each month
in a single payment to be applied by Beneficiary to the following items in the order set forth:

- (I) ground rents, if any, taxes, special assessments, fire and other hazard insurance premiums;
- (II) interest on the note secured hereby; and
- (III) amortization of the principal of said note.

(c) Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Grantor
prior to the due date of the next such payment, constitute an event of default under this Deed of Trust. The
arrangement provided for in paragraph 2 is solely for the added protection of the Beneficiary and entails no
responsibility on the Beneficiary's part beyond the allowing of due credit, without interest, for the sums actually
received by it. Upon assignment of this Deed of Trust by the Beneficiary, any funds on hand shall be turned over

to the assignee and any responsibility of the assignor with respect thereto shall terminate. Each transfer of the property that is the subject of this Deed of Trust shall automatically transfer to the Grantee all rights of the Grantor with respect to any funds accumulated hereunder.

3. As beneficiary's option grantor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such late charge shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured thereby.

4. If the total of the payments made under (a) of paragraph 2 shall exceed the amount of payments actually made by Beneficiary for ground rents, taxes, assessments and insurance premiums, such excess may be credited by Beneficiary on subsequent payments to be made by Grantor. If, however, the monthly payments made under (a) of paragraph 2, shall not be sufficient to pay ground rents, taxes, assessments and insurance premiums, when the same shall become due and payable, Grantor shall pay to Beneficiary any amount necessary to make up the deficiency in or before the date when the payment of such ground rent, taxes, assessments, or insurance premiums shall be due. If at any time Grantor shall tender to Beneficiary, in accordance herewith, full payment of the entire indebtedness secured hereby, Beneficiary shall, in computing the amount of indebtedness, credit to the account of Grantor any credit balance remaining under the provisions of (a) of paragraph 2. If there shall be a default under any of the provisions of this Deed of Trust, and hereafter a sale of the premises in accordance with the provisions hereof, or if the Beneficiary acquires the property otherwise after default, the Beneficiary shall apply, at the time of commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (a) of paragraph 2, less such sums as will become due and payable during the pendency of the proceedings, as a credit against the amount of principal then remaining unpaid under said note.

5. To keep the property in good order and condition and not to commit or permit any waste thereof. To allow Beneficiary to inspect the property at any time during reasonable hours.

6. To complete or restore promptly and in good workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon, and pay when due all costs incurred therefor, and if the loan secured hereby or any part thereof is being obtained for the purpose of financing construction of improvement on said property, Grantor further agrees:

- (a) To commence construction promptly and in any event within thirty (30) days from the date of the commitment of the Beneficiary, and complete same in accordance with plans and specifications satisfactory to Beneficiary.
- (b) To complete all buildings or other structures being or about to be built thereon within six (6) months from date hereof.
- (c) To replace any work or materials unsatisfactory to Beneficiary within fifteen (15) days after written notice to Grantor of such fact.
- (d) That work shall not cease on the construction of such improvement for any reason whatsoever for a period of fifteen (15) consecutive days.

The Trustee, upon presentation to it of an affidavit signed by Beneficiary stating forth as showing a default by Grantor under this numbered paragraph, is authorized to act as trustee and conduct all facts and statements therein, and to act thereon hereunder.

7. Not to remove or demolish any building, improvements thereon or any fixtures or other contents thereof used in connection with said building or improvements.

8. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting said property.

9. To keep the building, improvements and fixtures now existing or hereafter erected on the mortgaged property insured as may be required from time to time by the Beneficiary against loss by fire and other hazards, casualties and contingencies in such amounts and for such periods as may be required by the Beneficiary and which shall be promptly, when due, any premiums for such insurance provided for payment of which has not been made by Beneficiary. All insurance shall be carried in companies approved by the Beneficiary and the monies and proceeds thereof shall be paid by the Beneficiary and have attached thereto loss payable clauses in favor of and in form acceptable to the Beneficiary. In event of loss Grantor will give immediate notice by mail to the Beneficiary, who may make proof of loss if not made promptly by Grantor, and such insurance company covered is hereby authorized and directed to make payment for such loss directly to Beneficiary instead of to Grantor and Beneficiary jointly, and the insurance proceeds, or any part thereof, may be applied by the Beneficiary at its option either to the reduction of the indebtedness secured hereby or to the restoration or repair of the property damaged. In event of foreclosure of this Deed of Trust, or sale, transfer of title to the subject property in extinguishment of the indebtedness secured hereby, all right, title and interest of the Grantor in and to any insurance policies then in force shall pass to the purchaser or grantee.

10. To appear in and defend any suit, action or proceeding that might affect the value of this security instrument or the security itself or the rights or powers of Beneficiary or Trustee, and should Beneficiary or Trustee elect also to appear in or defend any such action or proceeding the Grantor will, at all times, indemnify, front, and, on demand, reimburse Beneficiary or Trustee for any and all loss, damage, expense or cost, including cost of evidence of title and attorney's fees, arising out of or incurred in connection with any such suit, action or proceeding, and the sum of such expenditure shall be secured by this Deed of Trust with interest as provided in the note secured hereby and shall be due and payable on demand. To pay all costs of suit, cost of evidence of title and a reasonable attorney's fee in any proceeding or suit brought by Beneficiary to foreclose this Deed of Trust.

11. To pay, at least ten (10) days before delinquent all rents, taxes, assessments and encumbrances, charges or liens with interest, that may now or hereafter be levied, assessed or claimed upon the property that is the subject of this Deed of Trust or any part thereof, which at any time appear to be prior or superior hereto for which provision has not been made heretofore, and upon request will exhibit to Beneficiary official receipts therefor, and to pay all taxes, reasonable costs, fees and expenses of this Trust, on default hereunder Beneficiary may, at its option, pay, or pay out of reserve accumulated under paragraph 2, any such sums, without waiver of any other right of Beneficiary by reason of such default of Grantor, and Beneficiary shall not be liable to Grantor for a failure to exercise any such option.

12. To repay, immediately on written notice to Grantor all sums expended or advanced hereunder by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the rate provided on the principal debt, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within ten (10) days of the mailing of such notice will, at Beneficiary's option, constitute an event of default hereunder, or, Beneficiary may, at its option, commence an action against Grantor for the recovery of such expenditure or advance and interest thereon, and in such event Grantor agrees to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee.

13. Upon the request of the Beneficiary, the Grantor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the Beneficiary for the alteration, modernization, improvement, maintenance or repair of said premises, for taxes or assessments and for the same and for any other purpose authorized hereunder. Such note or notes shall

be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the Grantor and Beneficiary. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the Beneficiary. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

14. If the indebtedness secured hereby be guaranteed or insured under Title 38 United States Code, such Title and Regulations issued thereunder and in effect on the date hereof shall govern the rights, duties and liabilities of the parties hereto, and any provisions of this or other instruments executed in connection with said indebtedness which are inconsistent with said Title or Regulations are hereby amended to conform thereto.

IT IS MUTUALLY AGREED THAT

15. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do, and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may: Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof; Beneficiary or Trustee being authorized to enter upon the property for such purpose, commence action and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such powers, incur any liability, expend what ever amounts in its absolute discretion it may deem necessary for including cost of evidence of title, employ counsel, and pay its reasonable fees.

16. Should the property or any part or appurtenance thereof or right or interest therein be taken or damaged by reason of any public or private improvement, condemnation proceeding, fire, earthquake, or in any other manner, Beneficiary may, at its option, commence, appear in and prosecute, in its own name, any action or proceeding, or make any compromise or settlement, in connection with such taking or damage, and obtain all compensation, awards or other relief therefor. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies of insurance affecting the property, are hereby assigned to Beneficiary who may, after deducting therefrom all its expenses, including attorney's fees, release any monies so received by it, or apply the same on any indebtedness secured hereby or apply the same to the restoration of the property, as it may elect. Grantor agrees to execute and further assignments of any compensation, award, damages, right of action and proceeds a Beneficiary or Trustee may require.

17. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

18. At any time upon written request of Beneficiary, a statement shall be made and presented to this Deed and the note for endorsement in the case of full reconveyance, or cancellation and redemption, without affecting the liability of any person for the payment of the indebtedness. Trustee may, however, to the making of any mortgage of said property, the promissory note, or creating or creating any restriction thereon, or in any substitution or other agreement affecting this Deed or the hereof, charge thereon, all reconveyance and cancellation of the same, and all of the property. Upon the completion of this undertaking, the Beneficiary may, at its option, discharge the unpaid balance of the indebtedness hereby voluntarily due and payable.

21. Upon default of Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, the indebtedness secured hereby shall immediately become due and payable. No matter by Beneficiary or any default on the part of Grantor shall be construed as a waiver, or satisfaction of such indebtedness.
