**THE MORTGAGOR HEREBY COVENANTS AND AGREES WITH THE MORTGAGEE THAT:**

I. He is the owner of the above described premises, that the same are now clear of encumbrance; that he will keep the buildings and other destructible property covered by this mortgage insured against loss by fire and other hazards to a sum at least equal to the mortgagor's appraised value thereof, such insurance contract shall be issued by a responsible insurance company, and the policy evidencing the same shall be delivered into the possession of the mortgagor, the said policy shall be endorsed by the mortgagor and shall contain an appropriate clause providing that the same therunder, if any, shall be payable to the mortgagor, in accordance with its interest at the time of loss. Mortgagor shall do all things necessary to obtain prompt settlement for each and every loss or claim covered by any such policy. The mortgagor further covenants that he will pay promptly all premiums on such insurance, and that he will pay promptly and before delinquency any and all installments of taxes, special assessments and other governmental levies which may hereafter be levied against or become a lien upon this mortgaged property, that he will keep the buildings and apurtenances on the same property in a good state of repair, all to the effect that the value of said property shall not be impaired during the life of this mortgage.

II. All or any part of the principal sum of this note may be paid in advance at any time with interest to the date of such payment.

III. In order to more fully protect the security of this mortgage the mortgagor, together with and in addition to the monthly installments of principal and interest paid due under the terms of the note secured hereby, on the first day of each month until the said note is fully paid, will pay to the mortgagor the following as:

a. A sum equal to the ground rents, if any, next due, plus the premiums that will next become due and payable on policies of fire and other hazard insurance covering the mortgaged property, plus 1/12 of the taxes and assessments next due on the mortgaged property (all as estimated by the mortgagor), less all taxes already paid therefor, divided by the number of months to elapse before the 1st month prior to the date when such ground rents, premiums, taxes and other rents will become delinquent, such sums to be held by the mortgagor in trust to pay said ground rents, premiums, taxes and special assessments.

b. All payments mentioned in the preceding subsection of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the mortgagor each month in a single payment to be applied by the mortgagor to the following items in the order set forth:

- (1) Ground rents, taxes, assessments, fire and other hazard insurance premiums,
- (2) interest on the note secured,
- (3) Amortization of the principal of the said note.

Any deficiency in the amount of any such aggregate monthly payments shall, unless made good by the mortgagor prior to the due date of the next such payment, constitute an event of default under this mortgage.

IV. The Mortgagor may collect a late charge imposed in accordance with the By-Laws of this Credit Union, for failure to comply with the terms and conditions of this mortgage.

V. If the total payments made by the mortgagor under 3 of paragraph III preceding shall exceed the amount of the payments actually made by the mortgagor for ground rent, taxes, assessments, or insurance premiums, as the case may be, such excess shall be credited by the mortgagor on subsequent payments to be made by the mortgagor. If, however, the monthly payments made by the mortgagor under 3 of paragraph III preceding shall not be sufficient to pay ground rents, taxes, assessments, or insurance premiums, as the case may be, when the same shall become due and payable, then the mortgagor shall pay to the mortgagor any amount necessary to make up the deficiency on or before the date when payment of such ground rent, taxes, assessments, or insurance premiums shall be due. If at any time the mortgagor under the provisions hereof made shall tender to the mortgagor full payment of the entire indebtedness represented by the note, the mortgagor shall in computing the amount of such indebtedness credit to the account of the mortgagor all payments made under the provisions of 3 of paragraph III hereof which the mortgagor has not become obligated to pay. If there shall be a default under any of the provisions of this mortgage resulting in a valid sale of the premises covered hereby, or if the mortgagor acquires the property otherwise after default, the mortgagor shall apply, at the time of the commencement of such proceedings or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under 3 of paragraph III preceding as a credit against the amount of the principal remaining unpaid under said note.

VI. He will pay all taxes, assessments, water rates and other governmental or municipal charges, fines, or impositions, for which provision has not been made heretofore and will promptly deliver the official receipts therefor to the said mortgagor, and in default thereof the mortgagor may pay the same.

VII. The mortgagor further covenants and agrees that the loan secured by this mortgage is made upon the personal character and integrity of the mortgagor, as well as upon the security offered, and that therefore he will not convey this mortgaged property, or any interest therein, if Mortgagor sell, convey, transfer or dispose of the above described property, Mortgagor may accelerate the debt due and owing and declare the full unpaid balance of principal due and payable.

VIII. All compensation and each and every award of damages in connection with any confirmation for public use or of injury to all or any part of said property is hereby assigned and shall be paid to mortgagee, which may use, release or apply such monies so received by it to the payment of actual and reduction of principal amount owed, without penalty to mortgagor; and mortgagee shall in this connection execute such further assignments as its mortgagee may require. It is understood and agreed that in connection with any settlement, court action or other disposition of an action pertaining to the mortgaged property, the same shall be maintained by the mortgagor, or his successors for the benefit of mortgagor and mortgagee with proceeds, except as hereinabove stated; provided that, from such proceeds first shall be deducted all reasonable costs and attorney's fees derived in maintaining the presentation of the rights of the parties. If mortgagor, or his successors, refuse or neglect to protect the interest of the parties, mortgagee may appear in its own name or name of mortgagor in such action and from any amount recovered first deduct all reasonable costs and attorney's fees derived therefrom; and apply the balance as above stated. At any time or from time to time without liability therefor, without notice and without releasing or otherwise affecting the person or persons for payment of any indebtedness, or performance of any obligation hereby secured, mortgagee may extend the time for or release any person now or hereafter liable for payment of any or all such indebtedness or performance of any or all such obligations or accept or release additional security therefor, or subordinate or release the lien or charge hereto as to all or any part of said property (subject to the making of any map or plot thereof, or joint in granting any easement thereon).

IX. Now if the mortgagor shall fail to pay any installment of principal or interest upon this debt, or should he fail to perform strictly any other covenant or condition of this mortgage or of the note evidencing the debt secured hereby, time being strictly of the essence, then, at the election of the mortgagor, the whole debt secured hereby shall become immediately due and payable; and this mortgage may be immediately foreclosed and the property covered by this mortgage may be sold as provided by law; or if the mortgagor shall fail to pay any installment of taxes, special assessment, or other governmental levies that may become due or if he shall fail to purchase and pay the premium on any policy of insurance, then the mortgagee may pay in advance such sums as may be necessary to pay such tax assessments, or governmental levy, or such insurance premium, and the amount so paid shall be added to and become a part of the debt secured hereby.

X. The mortgagor further agrees, that should there be default in the payment of any installment of principal or interest on said debt, or should he otherwise fail in the strict performance of this contract, and any expense is incurred by the mortgagee in the way of attorney's fee, abstracting, examining records, travel, or any other expense resulting from such default, then such items of expense may be added to and become a part of the debt secured hereby.

XI. The mortgagor further agrees that should he fail to make the payments as herein provided or should he fail to perform any other covenant or condition of this contract, in the case of a foreclosure action he will pay, in addition to the principal and interest then due and in addition to any items of expense above mentioned, such sum as the court may adjudicate reasonable, as attorney's fee in such foreclosure action.

XII. Further, in case of default, it is agreed that the mortgagor may immediately take possession of the mortgaged property in case it is vacant or, if occupied by a tenant, then the mortgagee may immediately collect and retain any and all accrued, or accruing, rentals and apply the same upon the debt secured hereby; and this instrument shall have the effect of an assignment of such accrued, and accruing, rentals. Also, in case action is brought to foreclose this mortgage or to collect the debt secured hereby, the mortgagor consents that a receiver may be appointed by the court without notice to the mortgagor, and the court is authorized to empower such receiver to take charge of the mortgaged property, to collect and receive rentals thereon, or otherwise manage the said property for the protection of the parties during the pendency of such foreclosure action.

XIII. It is further agreed that the covenants and agreements herein contained are joint and several and shall be binding upon, and inure to the benefit of, the heirs, devisees, legal representatives, or successors in interest of the parties hereto. If more than one joins in the execution hereof or if any be of the feminine sex, the pronouns and relative words used shall be interpreted in the plural or the feminine respectively.

XIV. Further, on termination of the mortgagor's employment, the entire balance of the mortgage may at the option of the mortgagor, become immediately due and payable, in accordance with the By Laws of this Credit Union.
