As a result, the first step in the process of creating a new model of the system of state regulation of the economy is to identify the main problems of the existing model. The second step is to propose a set of measures to solve these problems. The third step is to implement these measures and evaluate their effectiveness. The fourth step is to refine the model based on the results of the implementation and evaluation. This iterative process continues until the desired level of performance is achieved.

That the Mortgagors will pay all taxes, assessments and other charges, rental leases, hire or otherwise imposed upon the mortgaged premises or imposed upon this mortgage or the note secured hereby, as soon as the same become due and payable, and shall immediately pay and discharge any lien having precedence over this mortgage. And to make good payment each of the Mortgagors agrees to pay to the Mortgagor monthly budget payments estimated by the Mortgagor to cover each of the sum of insurance premiums, taxes, assessments and other governmental levies, which are or may be imposed upon the mortgaged premises or upon this mortgage or the note secured hereby, the amount of such payment to be determined from time to time at conditions may require. The budget payments so estimated may be graded by the Mortgagor and payment of such taxes, assessments or levies in the amounts shown by the official statement thereof, and the insurance premiums in the amounts actually paid or incurred thereto. And each budget payment is hereby made by Mortgagor as collateral security for any deficiency of this mortgage and the note secured hereby and the same to be paid at any time without notice, costs and budget payments upon any sums delinquent under and prior to under the terms of this mortgage.

In my action brought to foreclose this mortgage or his notice the last before the Mortgagor had to pay from the Mortgagor's bankable earnings for the period from the date of and the reasonable period of grace thereafter, the amount of full value of the note for principal and interest and such interest as may be required by law, and the balance of the deficiency judgment may be recovered in favor of the Plaintiff in the amount of the deficiency judgment and the Plaintiff may collect the same from the Mortgagor.

And in further consideration of the above and for value received, I do hereby release the Mortgagor from all liability for the payment of the note and the payment of the deficiency judgment.

Given under my hand and seal this 13th day of January, 1978.
