(21) All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(27) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.
