together with the appurtenances, fixtures, attachments, tenements and hereditaments belonging or appertaining thereto, including all trees and shrubs, all awnings, screens, mantels, linoleum, refrigerator and other house service equipment, venetian blinds, window shades and all plumbing, lighting, heating (including all burners), cooling, ventilating, elevating and watering apparatus and all fixtures now or hereafter belonging to or used in connection with the property, all of which shall be construed as part of the realty.

The mortgagor covenants and agrees with the mortgagee as follows: that he is lawfully seized of the property in fee simple and has good right to mortgage and convey it; that the property is free from all liens and incumbrances of every kind, that he will keep the property free from any incumbrances prior to this mortgage; that he will pay all taxes and assessments levied or imposed on the property and/or on this mortgage or the debt thereby secured, at least ten days before delinquency, and will immediately deliver proper receipts therefor to the mortgagee; that he will not permit waste of the property; that he will keep all buildings now or hereafter placed on the property in good order and repair and unceasingly insured against loss or damage by fire to the extent of the full insurable value thereof in a company acceptable and approved by the mortgagee and for the mortgagee's benefit, and will deliver to the mortgagee the policies, and renewals thereof at least five days before expiration of the old policies.

The mortgagor agrees that if the mortgage indebtedness is evidenced by more than one note, the mortgagee may credit payments received by him upon any of said notes, or part of any payment on one note and part on another, as the mortgagee may elect. The mortgagee reserves the right to refuse payments in excess of those specified in the note agreement or payment of the debt in whole, unless otherwise provided in the note or notes given with this mortgage.

The mortgagor shall not move or alter any of the structures on the mortgaged premises without consent of the mortgagee; all improvements placed thereon shall become a part of the real property mortgaged herein.

Should the mortgagor default in any of the foregoing covenants or agreements, then the mortgagee may perform the same and may pay any part or all of principal and interest of any prior incumbrances or of insurance premiums or other charges accrued hereby, and any amounts so paid, with interest thereon at the highest legal rate from date of payment shall be repayable by the mortgagor on demand, and shall also be secured by this mortgage without waiver or any right or other remedy arising from breach of any of the covenants hereof. The mortgagee shall be the sole judge of the validity of any tax, assessment or lien accrued against the property, and payment thereof by the mortgagee shall entitle the right to recover the amount so paid with interest.

This is of the essence hereof, and if default be made in the payment of any of the sums hereby secured or in the performance of any of the covenants or agreements herein contained, then in any such case the remainder of unpaid principal, with accrued interest and all other charges hereby secured, shall at the election of the mortgagee become immediately due without notice, and this mortgage shall be foreclosed.

In any action to foreclose this mortgage or to collect any charge growing out of this debt hereby secured, or any suit which the mortgagee may be obliged to defend to protect the unimpeded priority of the lien hereof, the mortgagor agrees to pay a reasonable sum of attorney's fees and all costs and expense, in connection with such suit, and also reasonable cost of searching records, title company fees, witness fees, which sum shall be taxed hereby and included in any decree of foreclosure.

Upon bringing action to foreclose this mortgage or at any time while such proceeding is pending, the mortgagee, without notice, may apply for and retain the appointment of a receiver for the mortgaged property of any part thereof, and the income, rents and profits therefrom. The mortgagor hereby covenants that in any action brought to foreclose this mortgage, a deficiency judgment may be taken for any balance of debt remaining after the application of the proceeds of the mortgaged property. Mortgagor shall not assign this contract in whole or in part without first obtaining written consent of the mortgagee thereon.
