(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

(10) To comply with all laws, ordinances, and regulations affecting the property.

(11) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note and any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

(12) Neither the property nor any portion thereof or interest therein shall be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as beneficiary hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured holder shall have any right, title or interest in or to the lien or any benefits hereof.

(13) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(14) The Government may (a) extend or defer the maturity of, and (b) renew and schedule the payments on, the debt evidenced by the note or any indebtedness to the Government secured by this instrument; (c) release any party who is liable under the note or for the debt from liability to the Government; (d) release portions of the property and subordinate its lien; and (e) waive any release of its rights under this instrument. Any and all this can and will be done without affecting the lien or the priority of this instrument or Borrower, or any other party's liability to the Government for payment of the note or debt secured by this instrument unless the Government shall otherwise so provide in writing. HOWEVER, any forbearance by the Government whether once or often in exercising any right or remedy under this instrument or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(15) If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other cooperative lending agency or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, Borrower, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay, or any check necessary to be purchased in a cooperative lending agency in connection with such loan.

(16) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and a default under any such other security instrument shall constitute default hereunder.

(17) SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be declared a bankrupt or an insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (a) declare the entire amount unpaid under this note and any indebtedness to the Government hereby secured immediately due and payable; (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property; (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receiver in like cases; and (d) authorize and request Trustee to foreclose this instrument and sell the property as provided by law.

(18) WAIVER. THE BORROWER ACKNOWLEDGES AND AGREES THAT IF BORROWER DEFAULTS A NONJUDICIAL FORECLOSURE OF THE PROPERTY MAY BE CONDUCTED WITHOUT A HEARING OF ANY KIND. THE BORROWER HEREBY WAIVES ANY RIGHTS BORROWER MAY HAVE TO ANY SUCH HEARING. NEVERTHELESS THE REGULATIONS OF THE FARMERS HOME ADMINISTRATION IN EFFECT AT THE TIME SUCH FORECLOSURE IS STARTED MAY PROVIDE FOR A MEETING AND THE GOVERNMENT WILL FOLLOW THESE REGULATIONS.

(19) At the request of the Government, Trustee may foreclose this instrument by advertisement and sale of the property as provided by law, for cash or secured credit at the option of the Government; and at such sale the Government and its agents may bid and purchase as a stranger; Trustee at Trustee's option may conduct such sale without being personally present, through Trustee's delegate authorized by Trustee for such purpose orally or in writing and Trustee's execution of a conveyance of the property or any part thereof to any purchaser at foreclosure sale shall be conclusive evidence that the sale was conducted by Trustee personally or through Trustee's delegate duly authorized in accordance herewith.

(20) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) other liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. In case the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government may pay its share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(21) All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(22) Borrower agrees that the Government will not be bound by any present or future State laws, (a) providing for valuation, appraisal, homestead or exemption of the property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new borrower. Borrower expressly waives the benefit of any such State law. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy.

(23) If any part of the loan for which this instrument is given shall be used to finance the purchase, construction or repair of property to be used as an owner-occupied dwelling (herein called "the dwelling") and if Borrower intends to sell or rent the dwelling and has obtained the Government's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower will after receipt of a bona fide offer, refuse to negotiate for the sale or rental of the dwelling or will otherwise make unavailable or deny the dwelling to anyone because of race, color, religion, sex or national origin, and (b) Borrower recognizes as illegal and hereby disclaims, and will not comply with or attempt to enforce any restrictive covenants on the dwelling relating to race, color, religion, sex or national origin.

(24) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provision hereof.

(25) Notices given hereunder shall be sent by certified mail, unless otherwise required by law; addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, United States Department of Agriculture, Wenatchee, Washington 98801, and in the case of Borrower to Borrower at the address shown in the Farmers Home Administration Finance Office records (which normally will be the same as the post office address shown above).

(26) Upon full and final payment of all indebtedness hereby secured and the performance and discharge of each and every condition, agreement and obligation, contingent or otherwise, contained herein or secured hereby, the Government shall request trustee to execute and deliver to Borrower at Borrower's above post office address a deed of conveyance of the property within 60 days after written demand by Borrower, and Borrower hereby waives the benefits of all laws requiring earlier execution or delivery of such deed of reconveyance.

(27) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.

WITNESS the hands of Borrower this 27th day of September, 19 79.
