ARTICLE 1.

TERMS AND CONDITIONS OF FIRST MORTGAGE BONDS.
 17 DEC 2004

SECTION 1. There shall be and is hereby established a series of bonds designated First Mortgage Bonds, 12% Series Z Due 2004, said bonds being sometimes hereinafter referred to as the "Bonds of Series Z", and the form thereof shall contain suitable provisions with respect to the matters hereinafter in this section specified. The aggregate principal amount of Bonds of Series Z which may be issued, authenticated and delivered under this Indenture shall be limited except as provided in Article I of the Indenture and Section 2 hereof with respect of bonds authenticated and delivered in exchange or substitution for other bonds; to \$50,000,000. Bonds of Series Z shall mature on December 1, 2004 and shall be issued in the form of registered bonds and shall be of the denominations of \$1,000 or any multiples thereof.

The Bonds of Series Z shall bear interest at the rate of 12% per annum, payable semi-annually on June 1 and December 1 in each year, both the principal of and the interest on said bonds shall be payable in any coin or currency of the United States of America, which at the time of payment is legal tender for public and private debts, at the office or offices of the Company in the City of San Francisco, State of California.

Interest on each bond of Series Z shall accrue from the date thereof unless such date is an interest payment date and the Company shall default in the interest due on such date, in which case such interest shall accrue from the first day of June or the first day of December next preceding the date thereof. The Bonds of Series Z shall be dated as of the last interest payment date preceding the date of authentication to which interest has been paid on such bonds, except that (i) if any such bond shall be authenticated on any interest payment date to which interest has been paid, it shall be dated as of the date of such authentication; (ii) if any such bond shall be authenticated prior to the close of business on the record date (as hereinafter in this Section defined) with respect to the first interest payment date for the Bonds of Series Z, such bond shall be dated as of the date on which Bonds of Series Z are initially issued and sold by the Company; and (iii) if any such bond shall be authenticated after the close of business on the record date with respect to any interest payment date and prior to such interest payment date and there is no existing default in the payment of interest on the Bonds of Series Z, such bond shall be dated as of such interest payment date.

The person in whose name any Bond of Series Z is registered at the close of business on any record date (as hereinafter defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date notwithstanding the cancellation of such bond upon any transfer or exchange thereof subsequent to the record date and prior to such interest payment date (unless there is an existing default in the payment of interest on the Bonds of Series Z at the time of such cancellation) except if and to the extent the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the persons in whose names outstanding Bonds of Series Z are registered at the close of business on the day preceding the date of payment of such defaulted interest or at the close of business on the special record date fixed for the payment of such defaulted interest if one shall have been fixed as hereinafter provided. Such special record date may be established by or on behalf of the Company by notice given by mail, first class postage prepaid, to holders of Bonds of Series Z at their last addresses as they appear upon the registry books not less than 10 days preceding such special record date, which special record date shall be not more than 30 days prior to such date of payment. In the event that any Bond of Series Z is called for redemption and the redemption date is subsequent to a record date with respect to any interest payment date and prior to such interest payment date, interest on such bond will be paid to the holder of such bond. The term "record date" as used in this Section with respect to any regular interest payment date shall mean the May 15 or November 15, as the case may be, next preceding such interest payment date, whether or not such May 15 or November 15 is a business day.

SECTION 2. Bonds of Series Z shall be exchangeable at the principal office of the Corporate Trustee or, at the office or agency of the Company in the City of San Francisco, State of California, or, at the option of the holders thereof, at the office or agency of the Company in the Borough of Manhattan, City and State of New York, for bonds of the same series of other authorized denominations having the same aggregate principal amount. Upon the surrender of any Bond of Series Z at the office or agency of the Company in the City of San Francisco, State of California, or, at the option of the holder thereof, at the office or agency of the Company in the Borough of Manhattan, City and State of New York, together with a written instrument of transfer in form approved by the Company executed by such holder in person or by attorney authorized in

writing, the Company shall execute, and the Trustee or authenticating agent shall authenticate, and it or the Company shall deliver in exchange therefor a new Bond or Bonds of Series Z for the same aggregate principal amount. No service charge shall be made for any transfer or exchange of Bonds of Series Z, but the Company may require the payment of a sum sufficient to cover any tax or taxes or other governmental charge.

The Company shall not be required to make transfers or exchanges of Bonds of Series Z during the period of 15 days preceding the making of notice of a partial redemption of such bonds, or to transfer or exchange any such bond, or the portion thereof, which shall have been designated for redemption.

SECTION 3. The provisions of Section 8 of Article I of the Indenture shall not be applicable to the Bonds of Series Z except that such bonds may bear such numbers and letters and may contain such other specifications or bear such legends or endorsements as may be required to comply with the rules of any governmental authority or of any stock exchange or to conform to usage with respect thereto.

Notwithstanding the provisions of Section 3 of Article I of the Indenture, the signatures of the officers of the Company executing Bonds of Series Z and attesting the corporate seal thereon may be facsimile, and in case any of such officers shall cease to be such officers of the Company before the Bonds so signed and sealed shall have been actually authenticated by the Corporate Trustee or delivered by the Company, such Bonds nevertheless may be issued, authenticated and delivered with the same force and effect as though the person or persons whose facsimile signatures shall appear on such Bonds had not ceased to be such officer or officers of the Company.

SECTION 4. Any or all of the Bonds of Series Z shall be redeemable at the option of the Company at any time and from time to time after December 1, 1984, prior to maturity, by the payment of the redemption prices as specified in the form set forth herein for the Bonds of Series Z under the heading "Regular Redemption Price", together with accrued interest to the date of redemption.

On December 1, 1985, and on each December 1 thereafter while Bonds of Series Z are outstanding, to and including December 1, 2003 (such dates being herein referred to as the "Series Z Special Bond Redemption dates"), the Company, as and for a special redemption fund for the retirement of Bonds of Series Z

(i) will, in the manner hereinafter and in the Indenture provided, redeem \$2,500,000 principal amount of Bonds of Series Z at the "Series Z Special Bond Redemption Price" of 100% of the principal amount to be redeemed, together with accrued interest to such Series Z Special Bond Redemption date, and

(ii) may, at its option, in the manner hereinafter and in the Indenture provided, redeem an additional principal amount of Bonds of Series Z not exceeding \$2,500,000, at the Series Z Special Bond Redemption Price specified in the foregoing clause (i), together with accrued interest to such Series Z Special Bond Redemption date, such option to be noncumulative so that the failure to elect to redeem all or any part of such additional principal amount on any Series Z Special Bond Redemption date shall not entitle the Company to increase the amount that may be redeemed on any subsequent Series Z Special Bond Redemption date pursuant to this clause (ii), except that the aggregate principal amount of bonds of Series Z that may be redeemed pursuant to this clause (ii) shall not exceed \$5,000,000.

provided, however, that the principal amount of Bonds of Series Z of any holder that shall be redeemed on any Series Z Special Bond Redemption date pursuant to the foregoing clause (i) or that may be redeemed at the Company's option on any Series Z Special Bond Redemption date pursuant to the foregoing clause (ii) shall in each case be reduced by the principal amount of Bonds of Series Z purchased by the Company from such holder and delivered uncanceled to the Corporate Trustee on such Series Z Special Bond Redemption date as hereinafter in this Section provided, and provided, further, that the aggregate principal amount of Bonds of Series Z that may be redeemed on all Series Z Special Bond Redemption dates pursuant to said clause (ii) shall be reduced by the aggregate principal amount of Bonds of Series Z so delivered by the Company to the Corporate Trustee in respect of optional redemption pursuant to said clause (ii), and provided, further, that the amount of such reduction for any Series Z Special Bond Redemption date in respect of the Bonds of Series Z of any holder shall not exceed the principal amount of such Bonds of such holder that would be redeemable on such Series Z Special Bond Redemption date if no Bonds of Series Z were purchased and delivered to the Corporate Trustee as aforesaid on such Series Z Special Bond Redemption date. No redemption pursuant to the foregoing clause (ii) or at the redemption prices as specified in the form set forth herein for the Bonds of Series Z under the heading "Regular Redemption

Price") of less than all the Bonds of Series Z shall be credited to, or relieve the Company to any extent from its obligations to make, future redemptions of Bonds of Series Z pursuant to the foregoing clause (i).

On or before the business day preceding December 1, 1985, and on or before the business day preceding each subsequent Series Z Special Bond Redemption date, the Company will pay to the Corporate Trustee an amount of cash equal to the Series Z Special Bond Redemption Price of, and accrued interest to such Series Z Special Bond Redemption date on, the Bonds of Series Z to be redeemed on such Series Z Special Bond Redemption date. The amount of such cash shall not be reduced in respect of any Bond of Series Z that the Company proposes to deliver to the Corporate Trustee as contemplated by the proviso immediately following clause (ii) of the preceding paragraph unless on or before the date of such payment the Company shall have delivered to the Corporate Trustee a certificate signed by the President or a Vice President and the Controller, an Assistant Controller, the Treasurer or an Assistant Treasurer of the Company identifying such Bond to be so delivered and certifying that a duplicate original or conformed copy of a written agreement between the Company and the holder of such Bond providing for the purchase by the Company of such Bond (or a specified portion thereof) on or before such Series Z Special Bond Redemption date has been filed with the Corporate Trustee and that all conditions precedent in such written agreement required to be satisfied on the part of the Company and such holder for the purchase by the Company of such Bond (or portion thereof) on or before such Series Z Special Bond Redemption date have been duly satisfied (or in the case of payment that provisions for the payment when due of the purchase price for such Bond, or portion thereof, in accordance with such written agreement have been made).

The Company will, not less than 60 days prior to each Series Z Special Bond Redemption date, notify the Corporate Trustee in writing as to the principal amount, if any, of Bonds of Series Z to be redeemed on such Series Z Special Bond Redemption date pursuant to the provisions of clause (i) of the second paragraph of this Section (without giving effect to any reduction in such principal amount by reason of the proposed delivery of Bonds of Series Z to the Corporate Trustee as contemplated by the proviso immediately following said clause (ii)).

On each Series Z Special Bond Redemption date, the Company will deliver to the Corporate Trustee each Bond of Series Z identified in the certificate theretofore delivered to the Corporate Trustee in respect of

such Series Z Special Bond Redemption date pursuant to the third paragraph of this Section whereupon each such Bond (or the portion thereof so purchased) so delivered shall cease to be outstanding as a Bond of Series Z for purposes of future redemptions pursuant to this Section. No Bond of Series Z that has been purchased by the Company and delivered to the Corporate Trustee pursuant to this Section may be reissued as a Bond of Series Z.

Notice of redemption of Bonds of Series Z shall be given by mail, first class postage prepaid, not less than thirty and not more than forty-five days prior to the date of redemption, to the holders of the Bonds of Series Z which are to be redeemed, at their last addresses as they appear upon the bond registry books. Notwithstanding the provisions of Section 2 of Article V of the Indenture, the particular Bonds of Series Z to be redeemed, in whole or in part (any redemption in part to be in the principal amount of \$1,000 or a multiple thereof), shall be selected by the Corporate Trustee pro-rata (as nearly as may be) from the holders of the outstanding Bonds of Series Z not previously called for redemption in a proportion that their respective holdings bear to the aggregate principal amount of the outstanding Bonds of Series Z on the date of selection; such allocations as may be requisite for this purpose shall be made by the Corporate Trustee, in its uncontrolled discretion, to maintain the principal of pro-rata redemptions in any partial redemption or in any series of partial redemptions, and such selection and allocations shall be made as though no reduction in the principal amount of Bonds of Series Z to be redeemed on any date of redemption will be made by the delivery on such date of such Bonds as contemplated by the proviso immediately following clause (ii) of the second paragraph of this Section. In the event that any redemption shall be partly with premium and partly without premium, it shall be treated as two separate redemptions, each on the basis hereinabove provided. The references in Sections 3, 5 and 8 of Article V of the Indenture to the publication of notice of intention to redeem shall be deemed, with respect to the Bonds of Series Z, to refer to the due mailing, as hereinabove provided, of notice of redemption. Otherwise, the provisions of Sections 5 and 8 of Article V of the Indenture shall be applicable to Bonds of Series Z.

Upon surrender of any Bond of Series Z which is to be redeemed only in part, the Company shall execute and the Corporate Trustee shall authenticate and deliver to the holder of such Bond, without service charge, a new Bond or Bonds of Series Z of any authorized denominations as requested by such holder in the aggregate principal amount equal to and in

exchange for the unredeemed portion of the principal of the Bond of Series Z so surrendered.

SECTION 5. Notwithstanding anything contained in the Indenture or any Supplemental Indenture or in the form of Bond of Series Z, no Bonds of Series Z may be redeemed prior to December 1, 1984 from funds received by the Company from the sale of property or the taking of property by exercise of eminent domain or from the proceeds of insurance; and if on or after December 1, 1984 any Bonds of Series Z are redeemed from any such funds, then and in any such event the Company shall pay the redemption price as specified in the Form set forth hereunder for the Bonds of Series Z under the heading "Regular Redemption Price" together with accrued interest to the date of redemption.

SECTION 6. To the extent not expressly provided by this Supplemental Indenture, the Bonds of Series Z shall be of such terms and provisions, be issued upon and subject to such terms and conditions and the holder be entitled to such rights and benefits, all as provided by the applicable terms and provisions of the Indenture.

SECTION 7. The Bonds of Series Z and the Trustee's Certificate to be endorsed thereon are (subject to the provisions of Section 8 of Article I of the Indenture) to be substantially in the following forms:
