DEED OF TRUST

THIS DEED OF TRUST, is made this 14th day of August, 1980, BETWEEN WILLIAM R. BISHOP, a single man, as Grantor, whose address is M.P. 642 L Washougal River Road, Washougal, Washington 98671; and SAFECO TITLE INSURANCE COMPANY, as Trustee, whose address is P. O. Box 277, Stevenson, Washington 98648, and WESTERN PACIFIC FINANCIAL CORPORATION, a Delaware Corporation, as Beneficiary, whose address is 1201 East Highland Avenue, San Bernardino, California, 92401.

Grantor hereby irrevocably grants, bargains, sells and conveys to Trustee in trust, with power of sale, the following described property in Skamania County, Washington:

Lot 19, Whispering Hills River Estates, according to the official plat thereof, on file and of record at page 130 of Book "A" of plats, records of Skamania County, Washington.

TOGETHER WITH all the tenements, hereditaments, and appurtenances now or hereafter thereunto belonging or in anywise appertaining, and the rents, issues and profits thereof; and all fixtures now or hereafter attached to or used in connection with the premises herein described; and in addition thereto, the following described household appliances, which are and shall be deemed to be, fixtures and a part of the realty, and are a portion of the security for the indebtedness herein mentioned:

This deed of trust secures a loan intended to be guaranteed under the Servicemen's Readjustment Act of 1944, as amended. Should the Administrator of Veterans Affairs fail or be unable to guarantee the loan, secured by this deed of trust, in accordance with VA regulations in effect at the time of closing, within sixty (60) days from the date the loan would normally become eligible for such guarantee, then all principal, interest and other sums secured hereby shall, at the option of the Beneficiary, become due and payable and Trustee shall thereupon pay to Beneficiary immediately, or, without further demand, the entire amount of all sums secured hereby.

To the extent that any of the property described herein may be subject to the provisions of the Uniform Commercial Code, this deed of trust is a security agreement, granting to beneficiary, as secured party, a security interest in any such property and the grantor agrees to execute such financing statements as may be required by the beneficiary and pay, upon demand, filing fees for any such financing statements and continuations thereof.

The real property conveyed by this deed of trust is not used principally for agricultural or farming purposes.

THIS DEED IS FOR THE PURPOSE OF SECURING PERFORMANCE of each agreement of Grantor herein contained and payment of the sum of SIXTY FOUR THOUSAND FIVE HUNDRED AND NO/100 Dollars (\$64,500.00) with interest thereon according to the terms of a promissory note of even date herewith, payable to the order of Beneficiary and made by Grantor; and also such further sums as may be advanced or loaned by Beneficiary to Grantor, or any of their successors or assigns, together with interest thereon at such rate as shall be agreed upon.

The Grantor covenants and agrees as follows:

1. That he will pay the Indebtedness, as hereinbefore provided. Privilege is reserved to prepay at any time, without premium or fee, the entire Indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less. Prepayment in full shall be credited on the date received. Partial prepayment, other than on an installment due date, need not be credited until the next following installment due date or thirty days after such prepayment, whichever is earlier.

2. Grantor agrees to pay to Beneficiary together with and in addition to the monthly payments of principal and interest payable under the terms of the note secured hereby, on the first day of each month until said note is fully paid.

(a) A sum, as estimated by the Beneficiary, equal to the ground rents, if any, and the taxes and special assessments next due on the premises covered by this Deed of Trust, plus the premiums that will next become due and payable on such insurance policies as may be required under paragraph 9 hereof, satisfactory to Beneficiary. Grantor, agreeing to deliver promptly to Beneficiary all bills and notices therefore, less all sums already paid therefor divided by the number of months to elapse before one (1) month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by the Beneficiary in trust to pay said ground rents, premiums, taxes and special assessments.

(b) All payments mentioned in the preceding subsection of this paragraph and all payments to be made under the note secured hereby shall be added together and the aggregate amount thereof shall be paid by the Grantor each month in a single payment to be applied by Beneficiary to the following items in the order set forth:

- (I) ground rents, if any, taxes, special assessments, fire and other hazard insurance premiums;
- (II) interest on the note secured hereby; and
- (III) amortization of the principal of said note.

(c) Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the Grantor prior to the due date of the next such payment, constitute an event of default under this Deed of Trust. The arrangement provided for in paragraph 2 is solely for the added protection of the Beneficiary and entails no responsibility on the Beneficiary's part beyond the allowing of due credit, without interest, for the sum actually received by it. Upon assignment of this Deed of Trust by the Beneficiary, any funds on hand shall be turned over

to the assignee and any responsibility of the assignee with respect thereto shall terminate. Each transfer of the property that is the subject of this Deed of Trust shall automatically transfer to the Grantee all rights of the Grantor with respect to any funds accumulated hereunder.

3. At beneficiary's option grantor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such late charge shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper cost and expenses secured thereby.

4. If the total of the payments made under (a) of paragraph 2 shall exceed the amount of payments actually made by Beneficiary for ground rents, taxes, assessments and insurance premiums, such excess may be credited by Beneficiary on subsequent payments to be made by Grantor. If, however, the monthly payments made under (a) of paragraph 2, shall not be sufficient to pay ground rents, taxes, assessments and insurance premiums, when the same shall become due and payable, Grantor shall pay to Beneficiary any amount necessary to make up the deficiency on or before the date when the payment of such ground rent, taxes, assessments, or insurance premiums shall be due. If at any time Grantor shall tender to Beneficiary in accordance herewith, full payment of the entire indebtedness secured hereby, Beneficiary shall, in computing the amount of indebtedness, credit to the account of Grantor any credit balance remaining under the provisions of (a) of paragraph 2. If there shall be a default under any of the provisions of this Deed of Trust and thereafter a sale of the premises in accordance with the provisions hereof, or if the Beneficiary acquires the property otherwise after default, the Beneficiary shall apply, at the time of commencement of such proceedings, or at the time the property is otherwise acquired, the balance then remaining in the funds accumulated under (a) of paragraph 2 less such sums as will become due and payable during the pendency of the proceedings, as a credit against the amount of principal then remaining unpaid under said note.

5. To keep the property in good order and condition and not to commit or permit any waste thereof. To allow Beneficiary to inspect the property at any time during reasonable hours.

6. To complete or restore promptly and in good workmanlike manner any building or improvement which may be constructed, damaged or destroyed thereon and pay when due all costs incurred therefor, and, if the loss or damage hereby or any part thereof is being obtained for the purpose of financing, cost, labor, or improvement of such property, Grantor further agrees:

- (a) To commence construction promptly and in any event within thirty (30) days from the date of the commitment of the Beneficiary, and complete same in accordance with plans and specifications satisfactory to Beneficiary.
- (b) To complete all buildings or other structures being or about to be built thereon within six (6) months from date hereof.
- (c) To replace any work or materials constituting the walls, roof, floor, or any other part of the same within six (6) months from date of such fact.
- (d) That work shall not exceed in value committed to any one contractor or subcontractor, except that it is permitted to fifteen (15) contractors or subcontractors.

The Trustee, upon presentation to him of an affidavit signed by Beneficiary, shall be entitled to require Grantor to do any and all of the above, and to do any and all other acts and things necessary to be done under this numbered paragraph, as directed in the affidavit and to cause the same to be done and performed, and to sue and collect hereunder.

7. Not to remove or divert any fixtures, equipment, or personal property of any kind from the property, or to make any alterations, additions, or improvements thereto, without the written consent of Beneficiary, except in connection with work and laboring at no previous charge.

8. To comply with all laws, rules, regulations, and orders of any governmental authority having jurisdiction over the property.

9. To keep the bonded insurance company which insures the property in good standing and to pay all premiums as may be required by the Beneficiary. Such insurance company may be changed by the Beneficiary, and new premiums or such increased premium, for payment of which has been agreed to by the Beneficiary, may be required by the Beneficiary, and the insurance company so required by the Beneficiary, and so far as has affected thereto, no premium charged for any increase of value of the property, or for any decrease in value of the property, shall be required to be paid by the Beneficiary, who may make payment of such increase or decrease to the insurance company concerned in his/her authorized and direct right, provided, however, that the insurance company, instead of to Grantor and the Beneficiary jointly, and the insurance premiums on any part thereof, may be applied by the Beneficiary as a portion either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged in event of foreclosures of this Deed of Trust, or to the transfer of title to the subject property in extinguishment of the indebtedness accrued hereby, all right, title and interest of the Grantor in and to any insurance policies then in force shall pass to the purchaser or grantee.

10. To appear in and defend any suit, action or proceeding that might affect the value of this security instrument or the security itself or the rights or powers of Beneficiary or Trustee, and should Beneficiary or Trustee elect also to appear in or defend any such action or proceeding the Grantor will, at all times, indemnify from, and, on demand reimburse Beneficiary or Trustee for any and all loss, damage, expense or cost, including cost of evidence of title and attorney's fees, arising out of or incurred in connection with any such suit, action or proceeding, and the sum of such expenditures shall be secured by this Deed of Trust until so lost as provided in the note secured hereby, and shall be due and payable on demand. To pay all costs of suit, cost of evidence of title and a reasonable attorney's fee in any proceeding or suit brought by Beneficiary to foreclose this Deed of Trust.

11. To pay at least ten (10) days before delinquent all rents, taxes, assessments and encumbrances, charges or items, with interest, that may now or hereafter be levied, caused or claimed upon the property that is the subject of this Deed of Trust or any part thereof, which at any time appear to be prior or superior liens for which provision has not been made before, and upon request will exhibit to Beneficiary official receipts therefor, and to pay all taxes, reasonably assessed, fees and expenses of this Trust; on default hereunder Beneficiary may, at its option, pay, or out of reserves accumulated under paragraph 2, any such sums, without waiver of any other right of Beneficiary, by reason of such default of Grantor, and Beneficiary shall not be liable to Grantor for a failure to exercise any such option.

12. To repay immediately on written notice to Grantor all sums expended or advanced hereunder by or on behalf of Beneficiary or Trustee, with interest from the date of such advance or expenditure at the rate provided on the principal debt, and the repayment thereof shall be secured hereby. Failure to repay such expenditure or advance and interest thereon within ten (10) days of the mailing of such notice will, at Beneficiary's option, constitute an event of default hereunder; or, Beneficiary may, at its option, commence an action against Grantor for the recovery of such expenditure or advance and interest thereon, and in such event Grantor agrees to pay, in addition to the amount of such expenditure or advance, all costs and expenses incurred in such action, together with a reasonable attorney's fee.

13. Upon the request of the Beneficiary, the Grantor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the beneficiary for the alteration, modernization, improvement, maintenance, or repair of said premises, for taxes or assessments against the same and for any other purpose authorized hereunder. Said note or notes shall

be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the Grantor and Beneficiary. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the beneficiary. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

14. If the indebtedness secured hereby is guaranteed or insured under Title 38 United States Code, such Title and Regulations issued thereunder and in effect on the date hereof shall govern the rights, duties and liabilities of the parties hereto, and any provisions of this or other instruments executed in connection with said indebtedness which are inconsistent with said Title or Regulations are hereby amended to conform thereto.

#### IT IS MUTUALLY AGREED THAT:

15. Should Grantor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee has without obligation to do so and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may: Make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof; the beneficiary or trustee being authorized to enter upon the property for such purposes, convenience, appear in and defend any action or proceeding pertaining thereto; collect the security hereof or the rights or powers of Beneficiary or Trustee; give, purchase, contest or compromise any attachment, charge or lien which in the judgment of either appears to be prior or superior hereto; and in exercising any such power, trustee may expend what ever amounts in its absolute discretion it may deem necessary therefor including costs of evidence of title, employ counsel, and pay his reasonable fees.

16. Should the property or any part or appurtenance thereof or right or interest therein be taken or damaged by reason of any public or private improvement, condemnation proceeding, fire, earthquake, or in any other manner, Beneficiary may, at its option, commence, appear in and prosecute in its own name, any action or proceeding, or make any compromise or settlement, in connection with such taking or damage, and obtain all compensation, awards or other relief therefrom. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policy of insurance affecting the property, are hereby assigned to the beneficiary who may after deducting therefrom all expenses, including attorney's fees, release any interests so received by him or assigns the same to any indebtedness secured hereby, or apply the same to the restoration of the property, as it may see fit, or agree to execute such further assignments of any compensation, award, damages, rights of action and proceeds as may be required by law.

18. At any time upon written request of Beneficiary, the trustee shall pay all fees and disbursements of this Deed and the costs of enforcement in case of full realization for attorney and realtor, without affecting the liability of any person for the payment of the indebtedness. Beneficiary may, at its option, make payment of any sum or part of said property, by whomsoever owned or occupied, and may deduct the amount so paid from the indebtedness or other amount affecting this Deed or the sum of charge thereon, the amount so paid being a credit on account of any part of the property. The trustee in any such case may be described as the "person holding the title in trust for the beneficiary," and the recitals theron of any matter of record shall be conclusive with respect thereto.

19. The collection of rents, issues, and profits shall be provided for in and other receiver collections, compensation, or rewards for services or for the benefit of the property, or to pay or release them as agreed, shall be done or made by the trustee in accordance with the laws of the state of Washington.
