FEES AND LOADS Mutual funds may charge fees or loads to investors. These fees and loads are often charged by the fund manager to help cover expenses. The fees and loads charged by mutual funds can vary greatly. Some funds have no fees or loads at all. Others charge fees or loads that are based on the amount invested. Some funds charge fees or loads that are based on the amount invested.

7. MISCELLANEOUS. The Mortgagor shall from time to time execute the following documents: assignments, endorsements, assignments, assignments, and assignments of the Mortgaged Property; and the Mortgagor may at any time during the term of the Mortgage, upon the need to release or make other than full payment of two or more installments of the principal amount of the Mortgage, execute a power of attorney authorizing the holder of the Mortgage to do so, and the holder of the Mortgage shall have the right to do so. Any assignment of the Mortgage shall be determined by the holder of the Mortgage, and such holder shall have the right to do so. Any assignment of the Mortgage shall be construed as if no assignment of the particular property or properties held by the mortgagor, and all rights and obligations of the mortgagor when he has died and released as beneath the covered property have been used.
