WALDO C. SAMSEL and JEAN M. SAMSEL, husband and wife,

in hand paid by the UNITED STATES OF AMERICA, receipt of which is hereby acknowledged, hereby grants, bargains, sells, and conveys to the UNITED STATES OF AMERICA and its assigns, a perpetual easement and right to enter and erect, maintain, repair, rebuild, operate, and patrol one line (2) of electric power transmission structures and appurtenant signal lines, including the right to erect such poles, transmission structures, wires, cables, and appurtenances as are necessary thereto, in, over, upon, and across the following-described parcel of land in the

1. It is agreed that any damage to Grantors' agricultural crops, fences, or irrigation or drainage systems, on the right of way resulting from and in the course of construction, reconstruction or maintenance of the transmission line or lines shall be repaired, replaced or paid for by the United States of America or its contractor. Where payment is made, the amount of damages will be determined by an appraisal made by the United States of America.

2. The United States of America shall have the right to grade, cultivate, plant and maintain grass, shrubs, or other cover or ornamental plants upon the portion of the right of way not otherwise being utilized by Grantors.
3. For the purpose of preserving the natural appearance of the right of way, it is agreed by the Grantors and the United States of America that the right of way shall not be used for the accumulation or dumping of litter, trash or other foreign material. The United States of America agrees that any such accumulations resulting from its entry upon the right of way for construction or maintenance purposes will be removed or disposed of by the United States of America or its contractor.
4. It is understood and agreed that the above stated consideration includes an amount for any damage that may occur to the spring and water system located on the right of way and access road herein referred to.
5. It is understood and agreed that the United States of America will furnish and install a 16 foot pipe frame gate in the fence on Access Road AR-146-1 at approximate survey station 10+89.

Access Road No. Ma-O-AR-1116-1 may be used for access to and from the Hanford-  
Vestrand No. 1 transmission line and any existing or future transmission lines which  
have been or may be constructed adjacent or nearly adjacent thereto.

Together with the present and future right to clear said right of way and keep the same clear of brush, timber, structures, and fire hazards, provided that fire hazards shall not be interpreted to include any growing crops other than trees; and also the present and future right to top, limb or fell all growing and dead trees and snags (collectively called "danger trees") located on and owned by the Grantor adjacent to the above-described right of way, which could fall within 35 feet of the center line of the electric transmission facilities hereinbefore described; provided, however, it is agreed that compensation is included in the consideration stated above for trees or snags within strips of land / ~~as outlined in green on BPA Drawing No. 150446 attached hereto marked~~
