at the rate of eight percent (8%) per annum, and the monthly installments aforesaid shall be first applied in payment of the interest accruing from month to month, and the balance of the same shall be credited to the principal.

2. ASSIGNMENT: Purchaser covenants that he will not assign, sell, transfer, contract to sell, encumber, or in any manner alienate his interest in this contract or the property covered hereby, either in whole or in part, except with the prior written consent of the Seller. Purchaser shall be privileged to rent or lease the property in connection with his business activities thereon, but any such leasehold or tenancy shall be subject to the lien of this contract.

3. INSURANCE AND TAXES: Seller warrants that the taxes on the property are paid through the first half of 1971, and Purchaser covenants to seasonably pay any such real or personal property taxes or other governmental or municipal assessments hereafter levied on the property during the performance of this contract, and Purchaser covenants to keep the insurable buildings on the property continually insured against fire and extended coverage at Purchaser's expense to the full insurable value of the same with proceeds of such insurance payable to the parties as their interests shall appear. Such policies of insurance and the renewals of the same shall be delivered to Seller. In event of any such insurable loss or damage and the payment of insurance proceeds to Seller as aforesaid, then any sum so paid thereby shall be credited upon the unpaid balance of this contract, except that in event of a partial loss the proceeds of such insurance may, at Purchaser's election, be applied to the necessary repairs occasioned by such partial loss.

above, and any sum so paid by Seller shall be repayable by Purchaser on demand, or Seller may, at his election, add the amount thereof to the unpaid balance of this contract.

Legal title to the property shall be and remain vested in Seller until the final payment and performance of this contract, provided however, that legal title to the service station equipment, except the tanks in the ground, shall vest in Purchaser when the balance of this contract has been reduced to not more than \$6,000.00. Upon the final payment of this contract Seller will execute and deliver to Purchaser a warranty deed conveying the property to Purchaser free of liens or encumbrances as of the date of this contract, but Seller shall not warrant against any such liens or encumbrances incurred after the date Purchaser subsequently to this date. Seller warrants that he has title to the premises as now vested in Seller free of taxes or assessments, and upon such final payment and performance of this contract Seller further agrees to furnish to Purchaser a policy of title insurance insuring Purchaser's title to the property in the amount of the purchase price.

5. PERFORMANCE AND DEFAULT. Timely and exact performance in all things shall be in the essence of this contract. In event of default by Purchaser in the payment of the several sums herein provided, or in event of the failure or neglect of the Purchaser to perform the several terms and conditions of this contract, and said default having continued for a period of thirty (30) days, then Seller may declare Purchaser's interest hereunder forfeited and may repossess the premises and property, retaining any sum theretofore paid as liquidated damages for such failure to perform and for the use and occupancy of the premises. Seller may, in the alternative, bring action on any intermediate overdue installments or upon any payments made by Seller and repayable by Purchaser and the institution of any such action shall not constitute an election of remedy as to any subsequent default. The waiver by Seller of any breach of this contract shall not be construed as a waiver of said covenant or of any future breach of any term of this contract.

In event Seller shall prevail in a legal or equitable action to enforce any rights under this contract or for the forfeiture of the same, then Purchaser agrees to pay a reasonable sum as attorney fees in said suit. It is agreed that any notice required by law concerning the enforcement or forfeiture of this contract may be made by United States mail addressed to Purchaser at his last known mailing address, or to such specific address as Purchaser may hereafter designate to Seller in writing.
