Beginning at an iron rod at the intersection of the most westerly line of said lot 50 with the southerly right-of-way line of the County Road and running thence along the right-of-way line more or $N 42^{\circ} 18' 30'' E$ 75.00 ft. to an iron rod thereon, thence parallel with the said road northerly line of lot 50, $N 42^{\circ} 18' 30'' E$ 125.00 ft. to an iron rod thence parallel with said County Road, $S 42^{\circ} 18' 30'' W$ 75.00 ft. to an iron rod on said most westerly line of lot 50, there along the most westerly line thereof $18' 37'' W$ 125.00 ft. to the place of beginning.

TRANSACTION PRICE ~~ONE HUNDRED TWENTY FIVE DOLLARS (\$125.00)~~

MAR 24 1972 TOGETHER WITH a perpetual easement and water right for utility purposes as hereinafter provided in this instrument.

As aforesaid, the undersigned, herein called "Grantors", do hereby grant, sell, convey, transfer, and deliver unto the General Telephone Company of the Northwest, Inc., herein called "Grantee", all of the right, title, and interest which they now have or may hereafter acquire in the above described property, subject to the following conditions and covenants:

By this instrument the Grantors agree to drill a well on the easterly portion of said lot 50, Washougal Riverside Tract, (now owned by Grantees), at a location at least 100 feet from the nearest boundary of the tract conveyed herein. Said well will be completed by July 1, 1972, including the installation of an adequate motor driven pump, storage tank and electrical service lines, insulated building of sufficient size to house said installation, and the well will be drilled to a sufficient depth to provide an adequate supply of potable water in accordance with Washington State regulations for the purposes herein mentioned. Grantee agrees to pay one half (1/2) of the expense for the construction of said well, including drilling, pump, electrical service and necessary fittings, and Grantee will be deemed the owner of a one third (1/3) interest in said well, its equipment and the water produced therefrom. Grantee also agrees to pay one third (1/3) of the future expense for

the operation and maintenance of said well and well machinery, including electrical charges, and the remainder of such expense will be borne by Grantors or their successors in interest. Grantors do further grant and convey to Grantee the perpetual easement to lay and maintain a pipeline running from the property of Grantee conveyed herein to said well, including the perpetual right to enter upon said property at all necessary times for the repair and maintenance of said pipeline and for the inspection or maintenance of said well and equipment. The installation and maintenance of the pipeline from Grantee's tract to the well shall be at Grantee's sole expense. Grantors reserve the right to grant to other parties the remaining two thirds (2/3) interest in said well subject to the terms of this agreement. All rights, privileges and obligations provided hereby shall be deemed covenants running with said lands and shall be apportioned to the property described herein.

IN WITNESS WHEREOF, the parties have executed this instrument this 31st day of December, 1971.
