AND AS CONDITIONS HEREOF THE PARTIES COVENANT AND AGREE AS FOLLOWS:

1. CONSIDERATION AND PAYMENT: The total purchase and sale price is the sum of FIVE THOUSAND TWO HUNDRED FIFTY DOLLARS (\$5,250.00) of which Purchaser has paid to Seller the sum of One thousand dollars (\$1,000.00) upon the execution of this contract, the receipt whereof is hereby acknowledged. The balance of the purchase price in the amount of \$4,250.00 shall be due and payable in monthly installments of SIXTY FIVE DOLLARS (\$65.00), or more at Purchaser's option, commencing on September 1, 1972, and continuing on the first day of each month thereafter until the entire purchase price and interest is paid in full. The declining balances of the purchase price shall bear interest from the date of this contract at the rate of seven and one-half percent (7-1/2%) per annum, and the monthly installments aforesaid shall be first applied in payment of the interest accruing from month to month, and the balance of the same shall be credited to the principal.

2. ASSIGNMENT: Purchaser covenants that he will not assign, sell, transfer, contract to sell, encumber, or in any manner alienate his interest in this contract or the property covered hereby, either in whole or in part, except with the prior written consent of the Seller.

3. TAXES AND ASSESSMENTS: Seller warrants that the real property taxes levied on the property are paid to date, and such taxes for 1972 shall be prorated between the parties as of the date of this contract. Purchaser covenants to seasonably pay all such taxes and any other governmental or municipal assessments that may be levied on the property during the performance of this contract.

4. INSPECTION AND RISK OF LOSS: Purchaser agrees that he

has fully inspected the real property herein bargained to be sold and is relying on no representations or warranties except as expressed in this contract. Purchaser assumes the risk of loss or damage to said property by fire or otherwise, and agrees that the destruction of said property, in whole or in part, or that the taking of said property or any part thereof for public use, shall not constitute a failure of consideration on the part of the Seller.

5. POSSESSION, USE AND TITLE: Purchaser shall be entitled to the possession of the property upon the execution of this contract and thereafter while this contract is not in default, except that Seller reserves the privilege of inspecting the property at all reasonable times concerning the performance of this contract. Purchaser covenants to use the premises in a lawful manner and to commit or suffer no waste to the same. Purchaser covenants further to seasonably pay all charges to said premises for repairs, utilities, improvements or otherwise, to the end that no liens for the same may attach to the property. If Purchaser shall fail or neglect to make any such payments, shall fail or neglect to pay the taxes or assessments thereon, or shall neglect any charge which in the opinion of Seller may attach as a lien to the premises, then Seller may, at his election, make any such payments, and any sums so paid by Seller shall be repayable by Purchaser on demand, or Seller may, at his election, add the amount thereof to the unpaid balance of this contract.

Upon the complete payment and performance of this contract Seller covenants to execute and deliver to Purchaser a warranty deed in statutory form conveying the property to Purchaser as herein described and free of liens or encumbrances as of the date of this contract, but Seller shall not warrant against any such liens or encumbrances that may be incurred or suffered to be incurred by Purchaser subsequent to the date of this contract. Seller further agrees to furnish to Purchaser as soon as procurable a policy of title insurance in the amount of the purchase price insuring purchaser's interest in the property pursuant to this contract.

It is acknowledged that Seller herein is now purchasing the within property pursuant to the terms of a real estate contract with John R. and Mary L. Carroll, husband and wife, bearing date of February 28, 1969, and recorded in Book 60, page 231, records of Skamania County, Washington. Seller covenants to make all payments required by said real estate contract to the end that the property herein shall be conveyed to Purchaser upon the performance of this contract free and clear of said earlier contract. If Seller shall neglect any payments required by his said contract, then Purchaser shall be privileged to make any such payments in order to protect his interest in the property, and any payments so made by Purchaser shall be credited upon the installments next coming due pursuant to the within contract.

6. PERFORMANCE AND DEFAULT: Time and exact performance in all things shall be of the essence of this contract. In event of default by Purchaser in the payment of the several sums herein provided, or in event of the failure or neglect of Purchaser to perform the several terms and conditions of this contract, and said default having continued for a period of fifteen (15) days, then Seller may declare Purchaser's interest hereunder forfeited and may repossess the property, retaining any sums theretofore paid as liquidated damages for such failure to perform and

for the use and occupancy of the premises. Seller may in the alternative bring action on any intermediate overdue installments or upon any payments made by Seller and repayable by Purchaser, and the institution of any such action shall not constitute an election or remedy as to any subsequent default. The waiver by Seller of any breach of this contract shall not be construed as a waiver of said covenants or of any future breach of any term of this contract.

In event Seller shall prevail in a legal or equitable action to enforce any rights under this contract or for the forfeiture of the same, then Purchaser agrees to pay a reasonable sum as attorney fees in said suit. Any notice required by law or this contract concerning the enforcement or forfeiture of this contract may be made to Purchaser by registered or certified mail, addressed to the last known address of Purchaser, or to such other mailing address as Purchaser may designate to Seller in writing.
