contract or other encumbrance, or has assumed payment of or agreed to purchase subject to, any taxes or assessments now or a lien on said
real estate, the purchaser agrees to pay the same before delinquency.

(2) The purchaser agrees, until the purchase price is fully paid, to keep the buildings now and hereafter placed on said real estate
insured to the actual cash value thereof against loss or damage by both fire and windstorm in a company acceptable to the seller and for
the seller's benefit, as his interest may appear, and to pay all premiums therefor and to deliver all policies and renewals thereof to
the seller.

(3) The purchaser agrees that full inspection of said real estate has been made and that neither the seller nor his assigns shall be held to
any covenant respecting the condition of any improvements thereon nor shall the purchaser or seller or the assigns of either be held to
any covenant or agreement for alterations, improvements or repairs unless the covenant or agreement relied on is contained herein or is
in writing and attached to and made a part of this contract.

thereon, and of the taking of said real estate or any part thereof for public use; and agrees that no such damage, destruction or taking shall
constitute a failure of consideration. In case any part of said real estate is taken for public use, the portion of the condemnation award

price herein unless the seller elects to allow the purchaser to apply all or a portion of such condemnation award to the rebuilding or resto-
ration of any improvements damaged by such taking. In case of damage or destruction from a peril insured against, the proceeds of such
insurance remaining after payment of the reasonable expense of procuring the same shall be devoted to the restoration or rebuilding of such
improvements within a reasonable time, unless purchaser elects that said proceeds shall be paid to the seller for application on the
purchase price herein.

seller by this contract agrees to pay, none of which for the purpose of this paragraph (5) shall be deemed defects in seller's title.

(6) If seller's title to said real estate is subject to an existing contract or contracts under which seller is purchasing said real estate, or any mortgage or other obligation, which seller is to pay, seller agrees to make such payments in accordance with the terms thereof, and upon default, the purchaser shall have the right to make any payments necessary to receive the same and any payments so made shall be applied to the payments next falling due the seller under this contract.

The purchaser covenants to pay all service, installation or construction charges for water, sewer, electricity, garbage or other utility services furnished to said estate after the date purchaser is entitled to possession.

(9) In case the purchaser fails to make any payment herein provided for or to maintain insurance, as herein required, the seller may make such payment or effect such insurance, and any amounts so paid by the seller, together with interest at the rate of 10% per annum thereon from date of payment until repaid, shall be repayable by purchaser on seller's demand, all without prejudice to any other right the seller might have by reason of such default.

(10) Title is of the essence of this contract, and it is agreed that in case the purchaser shall fail to comply with or perform any condition or agreement hereof or to make any payment required hereunder promptly at the time and in the manner herein required, the seller may elect to declare all the purchaser's rights hereunder terminated, and upon his doing so, all payments made by the purchaser hereunder and all improvements placed upon the real estate shall be forfeited to the seller as liquidated damages, and the seller shall have rights to re-enter and take possession of the real estate; and no waiver by the seller of any default on the part of the purchaser shall be construed as a waiver of any subsequent default.

Service upon purchaser of all demands, notices or other papers with respect to forfeiture and termination of purchaser's rights, may be made by United States Mail, postage pre-paid, return receipt requested, directed to the purchaser at his address last known to the seller.

(11) Upon seller's election to bring suit to enforce any covenant of this contract, including suit to collect any payment required hereunder, the purchaser agrees to pay a reasonable sum as attorney's fees and all costs and expenses in connection with such suit, which sums shall be included in any judgment or decree entered in such suit.

If the seller shall bring suit to procure an adjudication of the termination of the purchaser's rights hereunder, and judgment is so entered, the purchaser agrees to pay a reasonable sum as attorney's fees and all costs and expenses in connection with such suit, and also the reasonable cost of searching records to determine the condition of title at the date such suit is commenced, which sums shall be included in any judgment or decree entered in such suit.
