From the United States to the Cooperator

EASEMENT

THIS EASEMENT, dated this 8 day of January, 1968,
from the United States of America, acting by and through the Forest Service,
Department of Agriculture, hereinafter called "Grantor," to Weyerhaeuser
Company, a corporation of the State of Washington, hereinafter called "Grantee,"

WITNESSETH:

WHEREAS, Grantee has applied for a grant of an easement under the Act of October 13, 1964 (78 Stat. 1089, 16 USC 532-538), for a road over certain lands or assignable easements owned by the United States in the County of Skamania, State of Washington and administered by the Forest Service, Department of Agriculture.

NOW THEREFORE, Grantor, for and in consideration of one dollar (\$1.00) and reciprocal rights-of-way received by Grantor, does hereby grant to Grantee, its successors and assigns, and to successors in interest to any lands now owned or hereafter acquired by Grantee (hereinafter collectively referred to as "Grantee"), subject to existing easements and valid rights, a perpetual easement for a road along and across a strip of land, hereinafter defined as the "premises," over and across the lands in the County of Skamania, State of Washington, as described on Exhibit A attached hereto.

The word "premises" when used herein means said strip of land whether or not there is an existing road located thereon. Except where it is defined more specifically, the word "road" shall mean roads, now existing or hereafter constructed on the premises or any segment of such roads.

The location of said premises is shown approximately on Exhibit A attached hereto.

Said "premises" shall be variable on each side of the centerline with such additional width as required for accommodation and protection of cuts and fills. If the road is located substantially as described herein, the centerline of said road as constructed is hereby deemed accepted by Grantor and Grantee as the true centerline of the premises granted. If any subsequent survey of the road shows that any portion of the road, although located substantially as described, crosses lands of the Grantor not described herein, the easement shall be amended to include the additional lands traversed; if any land described herein is not traversed by the road as constructed, the easement traversing the same shall be terminated in the manner hereinafter provided.

This grant is made subject to the following terms, provisions, and conditions applicable to Grantee, its permittees, contractors, assignees, and successors in interest:

A. Except as hereinafter limited, Grantee shall have the right to use the road on the premises without cost for all purposes deemed necessary or desirable by Grantee in connection with the protection, administration, management, and utilization of Grantee's lands or resources, now or hereafter owned or controlled, subject to such traffic-control regulations and rules as Grantor may reasonably impose upon or require of other users of the road without reducing the rights herein granted. Grantee shall have the right to construct, reconstruct, and maintain roads within the premises.

Grantee's right to use the road shall include, but shall not be limited to, use for the purpose of operating and moving specialized logging vehicles and other equipment subject to the following limitations:

Subject to compliance with legal maximum dimensions and weights of motor vehicles imposed by State law on comparable public roads or highways: Provided, That gross weights of equipment or vehicles shall not exceed the capacity of bridges and other structures, and Provided further, That cleated equipment shall not be used on surfaced roads.

B. Grantee shall comply with all applicable State and Federal Laws, Executive Orders, and Federal rules and regulations, except that no present or future administrative rules or regulations shall reduce the rights herein expressly granted.

C. Grantee shall have the right to cut timber upon the premises to the extent necessary for constructing, reconstructing, and maintaining the road. Timber so cut shall, unless otherwise agreed to, be cut into logs of lengths specified by the timber owner and decked along the road for disposal by the owner of such timber.

D. The costs of road maintenance shall be allocated on the basis of respective uses of the road.

During the periods when either party uses the road or Grantor permits use of the road by others for hauling of timber or other materials, the party so using or permitting such use will perform or cause to be performed, or contribute or cause to be contributed that share of maintenance occasioned by such use of the road.

On any road maintained by Grantee, Grantee shall have the right to charge purchaser(s) of National Forest timber and other

commercial haulers, or to recover from all users by the Grantor for such purchases or haulage, tonnage charges based on the ratio that the total hauling on such road. Grantor's commercial use unless provision is made by noncommercial users to bear proportionate charges.

E. Grantee shall have the right to require all commercial or heavy hauling purposes to perform the performance of such user's obligations with respect to payment of the road and with respect to payment of amount stated as payable to Grantee for use of the amount of such security shall be limited as necessary to secure such payment as appropriate.

This agreement is granted subject to the following for itself, its permittees, contractors, and assigns:

1. The right to use the road for all purposes desirable by Grantor in connection with the construction, management, and utilization of resources, now or hereafter owned or controlled, herein contained, and subject to regulations and rules as Grantor may reasonably require of other users of the road without herein granted to Grantee. Provided, That for purposes of access to or from Grantor controlled by Grantor so as not unreasonably to interfere with the use of the road by Grantee or to cause the cost of maintenance greater than the use of the road.
2. The right alone to extend rights and privileges to other Government Departments and local subdivisions thereof, and to other members of the public except users of land or controlled by Grantee or its successors. Additional use also shall be controlled by unreasonably to interfere with use of the road, cause the Grantee to bear a share of the cost greater than Grantor's use bears to all users.
3. The right to cross and recross the premises, place by any reasonable means and for any purpose as will not unreasonably interfere with the use of the road.

4. The right to all timber now or hereafter growing on the premises, subject to Grantee's right to cut such timber as hereinbefore provided.

Provided that so long as the Marble Mountain Road Right-of-Way Construction and Use Agreement dated November 30, 1967 remains in full force and effect, the terms and conditions thereof shall govern all aspects of use of the premises, including, but not limited to construction, reconstruction, and maintenance of the road and the allocation and payment of costs thereof.

The Chief, Forest Service may terminate this easement, or any segment thereof, (1) by consent of the Grantee, (2) by condemnation, or (3) after a five (5) year period of nonuse, by a determination to cancel after notification and opportunity for hearing as prescribed by law; provided the easement, or segment thereof, shall not be terminated for nonuse so long as the road, or segment thereof, is being preserved for prospective future use.

IN WITNESS WHEREOF, the Grantor, by its Regional Forester, Forest Service, has executed this easement (pursuant to the act above-mentioned, the Delegation of Authority and Assignment of Functions by the Secretary of Agriculture dated December 24, 1963, 19 Fed. Reg. 74, the Delegation of Authority by the Chief, Forest Service, dated September 30, 1963, 28 Fed. Reg. 10828, and the Delegation of Authority by the Deputy Chief, Forest Service, dated April 16, 1965, 30 Fed. Reg. 5647, the provisions of which have been complied with), on the day and year first above-written.
