1. CONSIDERATION AND PAYMENT: The total purchase and sale price is the sum of FORTY-FIVE THOUSAND AND NO/100 DOLLARS (\$45,000.00) of which Purchaser has paid to Seller the sum of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) upon the execution of this contract, and receipt whereof Seller hereby acknowledges. The balance of the purchase price in the amount of \$43,000.00 shall be due and payable in monthly installments of THREE HUNDRED FIFTY AND NO/100 DOLLARS (\$350.00), or more at Purchaser's option, commencing on January 25, 1975, and continuing on the same day of each month thereafter until the entire purchase price and interest is paid in full. The declining balances of the purchase price shall bear interest from December 25, 1975, at the rate of nine and one-half percent (9-1/2%) per annum, and the monthly installments aforesaid shall be first applied to the interest accruing from month to month, and the balance credited to the principal.

2. ASSIGNMENT: Purchaser covenants that he will not assign, sell, transfer, contract to sell, encumber, or in any manner alienate his interest in this contract or the property covered hereby, either in whole or in part except with the prior written consent of the Seller. Purchaser is privileged to rent or lease the property, but any such tenancy or leasehold shall be second in priority to the lien of this contract.

3. INSURANCE, ASSESSMENTS and TAXES: Seller warrants that the real property taxes and any municipal assessments against the property are paid through the calendar year 1975. Purchaser covenants to seasonably pay all such real property taxes and any other governmental or municipal assessments thereafter levied on the property during the performance of this contract, and the Purchaser covenants at his expense to keep the insurable buildings on the property insured at all times against fire and extended coverage to the full insurable value of the same, with proceeds of such insurance payable to the parties in interest regarding said property according to their respective interests therein. Such policies of insurance and the renewals of the same shall be delivered to Seller or the mortgagee hereinafter mentioned. In the event of any insurable loss or damage to the property and the payment of insurance proceeds to Seller or said mortgagee, then any sums so paid thereby shall be credited upon the unpaid balance of this contract, except that in event of a partial loss the proceeds of such insurance may, at Purchaser's election, with the consent of said mortgagee, be applied to the expense of repairs occasioned by any such partial loss.

4. INSPECTION AND RISK OF LOSS: Purchaser agrees that he has fully inspected the real property herein bargained to be sold and is relying on no representations or warranties except as expressed in this contract. Purchaser assumes the risk of loss or damage to said property by fire or otherwise, and agrees that the destruction of said property, in whole or in part, or that the taking of said property or any part thereof for public use, shall not constitute a failure of consideration on the part of the Seller.

5. POSSESSION, USE AND TITLE: Purchaser shall be entitled to the possession of the property on December 25, 1975, and thereafter while this contract is otherwise performed, except that Seller reserves the right to enter the property at all reasonable times for the inspection of the same concerning the performance of this contract. Purchaser covenants to use the premises in a lawful manner, to commit no waste thereof, to keep the premises and improvements thereon in a clean and sanitary condition and in a good state of repair, and to refrain from performing any material alterations to the premises or the buildings thereon except with Seller's prior consent. Purchaser covenants to seasonably pay all charges to said premises for repairs, utilities, improvements, and otherwise, to the end that

liabilities for the same shall attach to said premises. In event Purchaser shall fail or neglect to make any such payments for repairs, utilities, improvements, taxes, insurance or other charges which in the opinion of Seller may attach as a lien to the premises, or if Purchaser shall fail to properly maintain or repair the premises or build sums thereon, then Seller may, at his election, make any such payments or perform any such repairs or maintenance, and any sums so paid by Seller shall be repayable by Purchaser on demand, or Seller may, at his election, add the amount hereof to the unpaid balance of this contract.

Legal title to the property shall remain vested in Seller until the full payment and performance of this contract. Upon the final payment and performance of this contract Seller agrees to execute and deliver to Purchaser a warranty deed conveying the legal title to the property as herein described and otherwise free of liens or encumbrances as of the date of this contract, but Seller shall not be liable against any such liens or encumbrances incurred or suffered to be incurred by Purchaser subsequent to the execution of this contract. Seller will furnish to Purchaser as soon as procurable a policy of title insurance in the amount of the purchase price insuring Purchaser's interest in the property pursuant to this contract.

It is understood that the property is now subject to a mortgage to Riverview Savings Association, and Seller covenants to make all payments thereby to the end that the property herein shall be conveyed upon the final performance of this contract free and clear of said mortgage. If Seller shall neglect any such payments thereon, then Purchaser may pay the same in order to protect his interest in the property, and any sums so paid by Purchaser on account of said mortgage shall be credited on the monthly installment next coming due pursuant to this contract.

6. PERFORMANCE AND DEFAULT: Time and exact performance in all things shall be of the essence of this contract. In event of default by Purchaser in the payment of the several sums herein provided, or in event of the failure or neglect of the Purchaser to perform the several terms and conditions of this contract, and said default having continued for a period of fifteen (15) days, then Seller may declare Purchaser's interest hereunder forfeited and may repossess the premises and property, retaining any sums theretofore paid as liquidated damages for such failure to perform and for the use and occupancy of the premises. Seller may, in the alternative bring action on any intermediate overdue installments or upon any payments made by Seller and repayable by Purchaser and the institution of any such action shall not constitute an election of remedy as to any subsequent default. The waiver by Seller of any breach of this contract shall not be construed as a waiver of said covenant or of any future breach of any term of this contract.

In event Seller shall prevail in a legal or equitable action to enforce any rights under this contract or for the forfeiture of the same, then Purchaser agrees to pay a reasonable sum as attorney fees in said suit. It is agreed that any notice required by law concerning the enforcement or forfeiture of this contract may be made by registered or certified United States mail, addressed to Purchaser's last known mailing address, or to such specific address as Purchaser may hereafter designate to Seller in writing.
