## SCHEDULE "B"

Subject only to the following rights outstanding in third parties, namely:

Existing easements for public roads and highways, public utilities, railroads and pipelines, and

Reservations contained in patents from the United States of America.

Excepting and Reserving to the Vendor the right to remove the following building:

40' x 40' prefabricated steel building

on or before *20 February* 1977. In the event that the said building is not completely removed on or before said date, the right of removal shall terminate automatically and the United States shall have a good and indefeasible title to said building which remain, without notice to the Vendor. Together with a right to set off from reserved building value, the cost of cleaning up portions of said building not removed.

Also, reserving to the Vendor, in possession of the property, in consideration of the protection and maintenance of the land, to which the Vendor hereby agrees, reserves the right to occupy until *20 February* 1977 that portion of the lands herein described upon which said building is now situated. Such occupancy is subject to revocation by the District Engineer, Portland District, or his authorized representative, at anytime upon giving 90 days' notice in writing to the occupant if possession of the property is required by the United States prior to the expiration of the occupancy date above set forth.
