THE UNITED STATES DISTRICT COURT

19 I, HOWARD H. CALLAWAY
20 Attorney do hereby declare that:

Secretary of the

- 21 1. (a) The land hereinafter described is taken under and in
accordance with the Act of Congress approved February 25, 1931 (46 Stat.
22 1421, 40 U.S.C. 258a), and acts supplementary thereto and amendatory
23 thereof, and under the further authority of the Acts of Congress
24 approved April 24, 1888 (25 Stat. 94, 33 U.S.C. 591), and March 1, 1917

FHC/3

(39 Stat. 948; 33 U.S.C. 701) which acts authorize the acquisition of land for flood control projects; the Act of Congress approved August 30, 1935 (49 Stat. 1028), which act authorizes the construction of the Bonneville Lock and Dam (Oregon); the Act of Congress, approved August 20, 1937 (50 Stat. 731), which act authorized completion, maintenance and operation of the project, and the Act of Congress approved August 28, 1974 (Public Law 93-393), which act appropriated funds for such purposes.

(b) The public uses for which said land is taken are as follows: The said land is necessary to provide for the construction of a river improvement for the purposes of flood control, navigation and other purposes incident thereto. The said land has been selected by me for acquisition by the United States for use in connection with the deregulation of the peaking discharge which must be provided at the Bonneville Dam, and for such other uses as may be authorized by Congress or by Executive Order.

2. A general description of the land being taken is set forth in Schedule "A" attached hereto and made a part hereof, and is a description of the same land described in the complaint in the above entitled cause.

3. The estate taken for said public uses is the perpetual right, power, privilege and easement permanently to overflow, flood and submerge the land described in Schedule "A", and to maintain mosquito control, in connection with the operation and maintenance of the Bonneville Lock and Dam project as authorized by the Act of Congress.

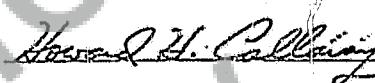

1 approved August 20, 1937, and the continuing right to clear and remove
2 any brush, debris and natural obstructions which, in the opinion of the
3 representative of the United States in charge of the project, may be
4 detrimental to the project, together with all right, title and interest
5 in and to the timber, structures and improvements situate on the land;
6 provided that no structures for human habitation shall be constructed
7 or maintained on the land, that no other structures shall be constructed
8 or maintained on the land except as may be approved in writing by the
9 representative of the United States in charge of the project, and that
10 no excavation shall be conducted and no landfill placed on the land
11 without such approval as to the location and method of excavation and/
12 or placement of landfill; the above estate is taken subject to existing
13 easements for public roads and highways, public utilities, railroads
14 and pipelines; reserving, however, to the landowners, their heirs and
15 assigns, all such rights and privileges as may be used and enjoyed
16 without interfering with the use of the project for the purposes
17 authorized by Congress or abridging the rights and easement hereby
18 acquired; provided further that any use of the land shall be subject
19 to Federal and state laws with respect to pollution.

20 4. A plan showing the land taken is annexed hereto as
21 Schedule "B" and made a part hereof.

22 5. The sum estimated by me as just compensation for said
23 land, including any and all interests hereby taken in said land, is
24 set forth in Schedule "A" herein, which sum I cause to be deposited
25 herewith in the registry of the said court for the use and benefit of

the persons entitled thereto. I am of the opinion that the ultimate award for said land probably will be within any limits prescribed by law on the price to be paid therefor.

IN WITNESS WHEREOF, the United States of America, by its
Secretary of the Army, thereunto authorized, has caused this declaration to be signed in its name by said HOWARD H. CALLAWAY
Secretary of the Army, this 19TH day of NOVEMBER
A.D. 1974, in the City of Washington, District of Columbia.

Howard H. Callaway
Secretary of the Army

The boundary 10 1/2 miles upstream was acquired from data distribution, aerial survey, Gander and Britton plots, and aerial survey or other sources of ordinary high water, channel profile from aerial survey data, and data from the Bureau of Reclamation, which may have been obtained from the same sources. The data were plotted on a scale of 1:250,000.

The upper limit of change evidence, obtained from aerial maps made by cultural surveys, was imposed upon the objective of restricted backwater for a discharge of 600,000 C.F.S. plus a 5-foot freeboard above the water level. The freeboard not being used as preliminary nor as final other than:

The lower limit of modification for Peaking Lineage Standard, obtained from similar maps made from aerial survey, was based upon the elevation of restricted backwater for a discharge of 375,000 C.F.S. plus a 3-foot freeboard.
