The buyer further agrees that failure by the seller at any time to require performance by the buyer of any provision hereof shall in no way affect his right hereunder to enforce the same, nor shall any waiver by said seller of any breach of any provision hereof be held to be a waiver of any succeeding breach of any such provision, or as a waiver of this provision itself.

Buyers, and each of them, agree to pay the sum of \$65.00 towards the costs of this sale.

The true and actual consideration paid for this transfer, stated in terms of dollars, is \$10,500.00. (However, the actual consideration consists of or includes other property of value given or promised which is the whole consideration (indicate which).) In case suit or action is instituted to enforce this contract or to enforce any of the provisions hereof, the buyer agrees to pay such sum as the court may order, together with the attorney's fees to be allowed plaintiff in said suit or action and to enter an appeal in plaintiff's attorney's fees on such appeal.

In construing this contract, it is understood that the seller or the buyer may be more than one person; that if the context so requires, the singular pronoun shall be taken to mean and include the plural, the masculine, the feminine and the neuter, and that generally all grammatical changes shall be made, assumed and implied to make the provisions hereof apply equally to corporations and to individuals.

IN WITNESS WHEREOF, said parties have executed this instrument in duplicate; if either of the undersigned is a corporation, it has caused its corporate name to be signed and its corporate seal affixed hereto by its officer duly authorized thereunto by order of its board of directors.
