a. Printed general exceptions appearing in said policy form;

b. Liens or encumbrances which by the terms of this contract the Purchaser is to assume, or as to which the conveyance hereunder is to be made subject; and

c. Any existing affidavit or contracts under which Seller is purchasing said real estate, and any mortgage or other obligation, which Seller by this contract agrees to pay, none of which for the purpose of this paragraph (5) shall be deemed defects in Seller's title.

(6) If Seller's title to said real estate is subject to or on existing affidavit or contracts under which Seller is purchasing said real estate, or any mortgage or other obligation which Seller is to pay, Seller agrees to make such payments in accordance with the terms thereof, and upon default, the Purchaser shall have the right to make any payments necessary to remove the default, and any payments so made shall be applied to the payments next falling due to Seller under this contract.

(7) The seller agrees, upon receiving full payment of the purchase price and interest in the manner above specified, to execute and deliver to purchaser a statutory warranty Fulfillment deed to said real estate, excepting any portion thereof hereafter taken for public use, free of encumbrances except any that may attach after date of closing through any person other than the seller, and subject to the following:

(8) Unless a different date is provided for herein, the purchaser shall be entitled to possession of said real estate on date of closing and to retain possession so long as purchaser is not in default hereunder. The purchaser covenants to keep the real estate from any illegal purpose. The purchaser covenants to pay all service, installation or construction charges entitled to possession.

(9) In case the purchaser fails to make any payment herein provided or to maintain insurance, as herein required, the seller may make such payment or effect such insurance, and any amounts so paid by the seller, together with interest at the rate of 10% per annum thereon from date of payment until repaid, shall be repayable by purchaser on seller's behalf, without prejudice to any other right the seller might have by reason of such default.

(10) Time is of the essence of this contract, and it is agreed that in case the purchaser shall fail to comply with or perform any condition or agreement hereof or to make any payment required hereunder promptly at the time and in the manner herein required, the seller may elect to declare all the purchaser's rights hereunder terminated, and upon his doing so, all payments made by the purchaser hereunder and all improvements placed upon the real estate shall be forfeited to the seller as liquidated damages, and the seller shall have right to re-enter and take possession of the real estate, and no waiver by the seller of any default on the part of the purchaser shall be construed as a waiver of any subsequent default.

Service upon purchaser of all demands, notices or other papers with respect to forfeiture and termination of purchaser's rights may be made by United States Mail, postage pre-paid, return receipt requested, directed to the purchaser at his address last known to the seller.

(11) Upon seller's election to bring suit to enforce any covenant of this contract, including suit to collect any payment with such suit, which sum shall be included in any judgment or decree entered in such suit.

If the seller shall bring suit to procure an adjudication of the termination of the purchaser's rights hereunder, and judgment is so entered, the purchaser agrees to pay a reasonable sum as attorney's fees and all costs and expenses in connection therewith, and also the reasonable cost of searching records to determine the condition of title at the date such suit is commenced, which sum shall be included in any judgment so entered in such suit.
