## REAL ESTATE CONTRACT

3-7-26-80

THIS CONTRACT, made and entered into this 5th day of October, 1977,

between

HAROLD C. SAMSEL and JEAN M. SAMSEL

hereinafter called the "seller," and

JAMES A. NELSON and BETTY N. NELSON,  
husband and wife,

hereinafter called the "purchaser,"

WITNESSETH: That the seller agrees to sell to the purchaser and the purchaser agrees to purchase from the seller the following described real estate, with the appurtenances, in **SKAMANIA** County, State of Washington:

The Northwest Quarter of the Northwest Quarter of the Southeast Quarter; the Southwest Quarter of the Northwest Quarter of the Southeast Quarter; and all that portion of the Northwest Quarter of the Northwest Quarter of the Southwest Quarter of the Southeast Quarter lying North and East of the County Road crossing said tract diagonally Northwesterly and Southeasterly; all in Section 26, Township 3 North, Range 7 East of the Willamette Meridian.

The terms and conditions of this contract are as follows: The purchase price is **Sixty Thousand and No/100** (\$60,000.00) Dollars, of which **Ten Thousand Four Hundred and No/100** (\$10,400.00) Dollars have

been paid, the receipt whereof is hereby acknowledged, and the balance of said purchase price shall be paid as follows:

The purchasers agree to pay the remaining balance of the purchase price amounting to Forty-nine Thousand Six Hundred and No/100 (\$49,600.00) Dollars as follows: By paying the sellers the sum of Forty-one Thousand Three Hundred and No/100 (\$41,300.00) Dollars without interest on or before November 5, 1977, for which sum the sellers agree to release from this contract and convey to purchasers by warranty deed five (5) acres of said premises including the dwelling house and other improvements constructed thereon, and by paying the remaining balance of the purchase price amounting to Eight Thousand Three Hundred and No/100 (\$8,300.00) Dollars in monthly installments of Eighty-three and No/100 (\$83.00) Dollars, or more, commencing November 5, 1977, and on the 5th day of each and every month thereafter until the full amount of the purchase price shall have been paid; provided, however, that the full amount of the purchase price together with interest shall become due and payable in any event on October 5, 1980. Said monthly installments shall include interest at the rate of ten percent (10%) per annum computed from October 5, 1977, upon the monthly balances of the unpaid purchase price, and shall be applied first to interest and then to principal.

All payments to be made hereunder shall be made at General Delivery, Stevenson, Washington or at such other place as the seller may direct in writing. As referred to in this contract, "date of closing" shall be October 5, 1977.

(1) The purchaser assumes and agrees to pay before closing all taxes and assessments that may as between grantor and grantee hereafter become a lien on said real estate, and if by the terms of this contract the purchaser has assumed payment of any real estate tax or other encumbrance, or has assumed payment of or agreed to purchase subject to any taxes or assessments now a lien on said real estate, the purchaser agrees to pay the same before delinquency.

(2) The purchaser agrees, until the purchase price is fully paid, to keep the buildings now and hereafter placed on said real estate insured to the actual cash value thereof against loss or damage by both fire and windstorm in a company acceptable to the seller and for the seller's benefit, as his interest may appear, and to pay all premiums therefor and to deliver all policies and renewals thereof to the seller.

(3) The purchaser agrees that full or portion of said real estate has been made and that neither the seller nor his assigns shall be held to any covenant respecting the condition of any improvements thereon nor shall the purchaser, seller or the assigns of either be held to any covenant or agreement for alterations, improvements or repairs unless the covenant or agreement relied on is contained herein or is in writing and attached to and made a part of the contract.

(4) The purchaser assumes all hazard of damage to or destruction of any improvements now on said real estate or hereafter placed thereon, and of the taking of said real estate or any part thereof for public use, and agrees that no such damage, destruction or taking shall constitute a failure of consideration. In case any part of said real estate is taken for public use, the portion of the condemnation award remaining after payment of reasonable expenses of procuring the same shall be paid to the seller and applied as payment on the purchase price herein unless the seller elects to allow the purchaser to apply all or a portion of each condemnation award to the rebuilding or restoration of any improvements damaged by such taking. In case of damage or destruction from a peril insured against, the proceeds of such insurance remaining after payment of the reasonable expense of procuring the same shall be devoted to the restoration or rebuilding of such improvements within a reasonable time, unless purchaser elects that said proceeds shall be paid to the seller for application on the purchase price herein.

(5) The seller has delivered, or agrees to deliver within 15 days of the date of closing, a purchaser's policy of title insurance in standard form, or a commitment therefor, issued by Transamerica Title Insurance Company, insuring the purchaser to the full amount of said purchase price against loss or damage by reason of defect in seller's title to said real estate as of the date of closing and containing no exceptions other than the following:

- Printed general exceptions appearing in said policy form;
- Liens or encumbrances which by the terms of this contract the purchaser is to assume, or as to which the conveyance hereunder is to be made subject; and
- Any existing contract or contracts under which seller is purchasing said real estate, and any mortgage or other obligation, which seller by this contract agrees to pay, none of which for the purpose of this paragraph (5) shall be deemed defects in seller's title.

(6) If seller's title to said real estate is subject to an existing contract or contracts under which seller is purchasing said real estate, or any mortgage or other obligation, which seller is to pay, seller agrees to make such payments in accordance with the terms thereof, and upon its full, the purchaser shall have the right to make any payments necessary to remove the default, and any payments so made shall be applied to the payments next falling due the seller under this contract.

(7) The seller agrees, upon receiving full payment of the purchase price and interest in the manner above specified, to execute and deliver to purchaser a statutory warranty deed to said real estate, excepting any part thereof hereafter taken for public use, free of encumbrances except any that may attach after date of closing through any person other than the seller, and subject to the following:

- a) Basements and rights of way of record; and
- b) 1977 general property taxes which are to be pro-rated between the parties as of October 5, 1977.

(8) Unless a different date is provided for herein, the purchaser shall be entitled to possession of said real estate on date of closing and to retain possession so long as purchaser is not in default hereunder. The purchaser covenants to keep the buildings and other improvements on said real estate in good repair and not to permit waste and not to use, or permit the use of, the real estate for any illegal purpose. The purchaser covenants to pay all service, installation or construction charges for water, sewer, electricity, garbage or other utility services furnished to said real estate after the date purchaser is entitled to possession.

(9) In case the purchaser fails to make any payment herein provided or to maintain insurance, as herein required, the seller may make such payment or effect such insurance, and any amounts so paid by the seller, together with interest at the rate of 10% per annum thereon from date of payment until repaid, shall be repayable by purchaser on seller's demand, all without prejudice to any other right the seller might have by reason of such default.

(10) Time is of the essence of this contract, and it is agreed that in case the purchaser shall fail to comply with or perform any condition or agreement hereof or to make any payment required hereunder promptly at the time and in the manner herein required, the seller may elect to declare all the purchaser's rights hereunder terminated, and upon his doing so, all payments made by the purchaser hereunder and all improvements placed upon the real estate shall be forfeited to the seller as liquidated damages, and the seller shall have right to re-enter and take possession of the real estate; and no waiver by the seller of any default on the part of the purchaser shall be construed as a waiver of any subsequent default.

Service upon purchaser of all demands, notices or other papers with respect to forfeiture and termination of purchaser's rights may be made by United States Mail, postage pre-paid, return receipt requested, directed to the purchaser at his address last known to the seller.

(11) Upon seller's election to bring suit to enforce any covenant of this contract, including suit to collect any payment required hereunder, the purchaser agrees to pay a reasonable sum as attorney's fees and all costs and expenses in connection with such suit, which sums shall be included in any judgment or decree entered in such suit.

If the seller shall bring suit to procure an adjudication of the termination of the purchaser's right hereunder, and judgment is entered, the purchaser agrees to pay a reasonable sum as attorney's fees and all costs and expenses in connection with such suit, and also the reasonable cost of searching records to determine the condition of title at the date such suit is commenced, which sums shall be included in any judgment or decree entered in such suit.

IN WITNESS WHEREOF, the parties hereto have executed this instrument as of the date first written above.
