WITNESSETH: The seller agrees to sell to the purchaser, and the purchaser agrees to purchase of the seller the following described real estate with the appurtenances and improvements thereon, situate in Skamania County, State of Washington:

Beginning at a point 29 rods south and 30 feet west of the northeast corner of the Northwest Quarter of the Northeast Quarter (NW4NE4) of Section 09, Township 3 North, Range 8 E.W.M.; thence west 179 feet; thence north 93.5 feet; thence east 179 feet; thence south 93.5 feet to the point of beginning;

ALSO, Lots 5 and 6 of Block Three (3) of BOYD & WILKINSON'S ADDITION TO CARSON according to the official plat thereof on file and of record in the office of the Auditor of Skamania County, Washington.

The terms and conditions of this contract are as follows:

The purchase price is TWENTY THOUSAND DOLLARS (\$20,000.00), of which TWO THOUSAND DOLLARS (\$2,000.00) has been paid, the receipt whereof is hereby acknowledged, and the purchaser agrees to pay the balance of said purchase price as follows:

Monthly payments in the amount of \$175.00, the first of said payments to be made on the 5th day of September, 1977, and like payments thereafter on the 5th day of each and every month until the entire unpaid principal, together with interest, has been paid in full. The unpaid principal balance is to bear interest at the rate of 8% per annum.

All payments to be made hereunder shall be made at \_\_\_\_\_

Carson, Washington or at such other place as the seller may direct in writing.

As referred to in this contract, "date of closing" shall be September 5, 1977, and the purchaser may enter into possession as of that date.

(1) It is agreed between the parties hereto that all taxes and insurances due on the subject property hereof shall be pro-rated as of the date of closing.

(2) That the property has been carefully inspected by the purchaser and the purchaser is purchasing said property as is and there has been no representations made by the seller as to the condition of the building; that purchaser assumes full responsibility after having checked the condition of said building and accepts the same as is and there are no other agreements, representations, or warranties by the seller except as are set out herein.

(3) The purchaser agrees: to pay before delinquency all taxes and assessments assumed by her, if any, and any which may, as between grantor and grantee, hereafter become a lien on the premises; not to permit waste; and not to use the premises for any illegal purpose. If the purchaser shall fail to pay before delinquency any such taxes or assessments, the seller may pay them, and the amounts so paid shall be deemed part of the purchase price and be payable forthwith with interest at the rate of ten percent per annum until paid, without prejudice to any other right of the seller by reason of such failure.

(4) The purchaser assumes all risk of the taking of any part of the property for a public use, and agrees that any such taking shall not constitute a failure of consideration, but all moneys received by the seller by reason thereof shall be applied as a payment on account of the purchase price, less any sums which the seller may be required to expend in procuring such moneys.

(5) The seller agrees, upon full compliance by the purchaser with her agreements herein, to execute and deliver to the purchaser a warranty deed to the property, excepting any part which may have been condemned, free of incumbrances except those above mentioned, and any that may accrue hereafter through any person other than the seller.

(6) The seller agrees to furnish a standard form purchaser's title policy when the purchaser shall have paid this contract in full, insuring the title to said property with liability the same as the above purchase price, free from incumbrances except any which are assumed by the purchaser or as to which the convey-

ance hereunder is not to be subject.

(7) In the event the purchaser is in default of any provision of this contract, in addition to any other remedy which the seller may have, the seller may elect to accelerate this contract by declaring the entire unpaid balance due and owing.

TIME IS OF THE ESSENCE HEREOF, and in the event the purchaser shall fail to comply with or perform any condition or agreement hereof promptly at the time and in the manner herein required, the seller may elect to declare all the purchaser's rights hereunder terminated. Upon the termination of the purchaser's rights, all payments made hereunder, and all improvements placed upon the premises shall be forfeited to the seller as liquidated damages, and the seller shall have the right to re-enter and take possession of the property; and if the seller after such forfeiture shall commence an action to procure an adjudication of the termination of the purchaser's rights hereunder, the purchaser agrees to pay the expense of searching title for the purpose of such action, together with all costs and a reasonable attorney's fee.

Service upon purchaser of all demands, notices or other papers with respect to the forfeiture and termination of purchaser's rights may be made by United States Mail, postage pre-paid, return receipt requested, directed to the purchaser at her address last known to the seller.

IN WITNESS WHEREOF the parties have signed and sealed this contract the day and year first above written.
