Skamania County Recorder

By William F. Stevenson

To construct, operate and maintain over and under the above described lands, and the streets, roads or highways abutting the said lands, an underground electric transmission or distribution line or system, including wires and conduit, with all convenient or necessary surface mounted appurtenances (and to include riser poles and transformer poles when required) and to cut and trim trees and shrubbery that may interfere with or endanger the operation and maintenance of said line or system, and to license, permit or otherwise agree to the joint use or occupancy of said line or system by other person, firm or corporation for telephone or television purposes.

The grantor(s) agree(s) that all poles, wires or other facilities installed upon or under the above described lands at the Grantee's expense shall remain the property of the Grantee, and that the Grantee shall have the right of ingress and egress over the adjacent lands of the Grantor(s) for the purpose of exercising the rights hereby granted.

All rights hereunder shall cease when the Grantee, its successors and sub-lessee or assigns abandons or removes said line or system.
