2. TAXES, INSURANCE AND ASSESSMENTS: Seller warrants that the real property taxes and all assessments against the property are paid through the calendar year 1978. Purchaser covenants to seasonably pay all such real property taxes and any other governmental or municipal assessments thereafter levied on the property during the performance of this contract. Purchaser further agrees during the performance of this contract to keep the insurable buildings on the property continually insured at Purchaser's expense against fire and extended coverage to the full insurable value of the same, with proceeds of such insurance payable to the parties as their interests shall appear. Such policies of insurance and any renewals of the same shall be delivered to Seller. In event of an insurable loss and the payment of insurance proceeds to Seller, then any sums so paid shall be credited upon the unpaid balance of this contract, except that in event of a partial loss the proceeds of the insurance, shall, at Purchaser's election, be applied to the expenses of repair occasioned by such partial loss. Such real property taxes for the current year shall be prorated between the parties as of the date of this instrument.

3. INSPECTION AND RISK OF LOSS: Purchaser agrees that he has fully inspected the real property herein bargained to be sold and is relying on no representations or warranties except as expressed in this contract. Purchaser assumes the risk of loss or damage to said property by fire or otherwise, and agrees that the destruction of said property, in whole or in part, or that the taking of said property or any part thereof for public use, shall not constitute a failure of consideration on the part of the Seller.

4. POSSESSION, USE AND TITLE: Purchaser shall be entitled to the possession of the property on the date of this contract and thereafter while this contract is not in default, except that Seller reserves the privilege of inspecting the property at all reasonable times concerning the performance of this contract. Purchaser covenants to use the premises in a lawful manner, to commit or suffer no waste thereof, to maintain the same in a good state of repair and maintenance, and to refrain from performing any material alterations to the property, its buildings or improvements, except with Seller's prior written consent. Purchaser covenants further to seasonably pay all charges incurred in connection with the premises for repairs, utilities, improvements or otherwise, to the end that no liens for the same may attach to the property. If Purchaser shall fail or neglect to make any such payments, shall fail to pay the taxes or assessments thereon, shall neglect any other charge which in the opinion of the Seller may attach as a lien to the premises, or shall fail to properly repair or maintain the premises or its improvements, then Seller may, at his election, make any such payments, or perform any such repairs or maintenance, and any sums so paid by Seller shall be repayable by Purchaser on demand, or Seller may, at his election, add the amount thereof to the unpaid balance of this contract.

Upon the complete payment and performance of this contract Seller covenants to execute and deliver to Purchaser a warranty deed in statutory form conveying the property as herein described and otherwise free of liens or encumbrances as of the date of this contract. Seller shall not warrant against any such liens or encumbrances that may be incurred or suffered by Purchaser subsequent to the date of this contract.

5. PERFORMANCE AND DEFAULT: Time and exact performance in all things shall be of the essence of this contract. In event of default by Purchaser in the payment of the several sums herein provided, or in event of the failure or neglect of Purchaser to perform the several terms and conditions of this contract, and said default having continued for a period of fifteen (15) days, then Seller may declare Purchaser's interest hereunder forfeited and may repossess the property, retaining any sums theretofore paid as liquidated damages for such failure to perform and for the use and occupancy of the premises. Seller may in the alternative bring action on any intermediate overdue installments

or upon any payments made by Seller and repayable by Purchaser, and the institution of any such action shall not constitute an election of remedy as to any subsequent default. The waiver by Seller of any breach of this contract shall not be construed as a waiver of all covenants or of any future breach of any term of this contract.

In the event a legal or equitable action is commenced to enforce any rights under this contract or for the forfeiture of the same, then the prevailing party shall be entitled to a reasonable amount as attorney fees in said suit. It is agreed that any notice required by law concerning the enforcement or forfeiture of this contract may be made by registered or certified United States mail, addressed to Purchaser's last known mailing address, or to such specific address as Purchaser may hereafter designate to Seller in writing.

6. ADDITIONAL COVENANTS: (a) Seller agrees to furnish to Purchaser as soon as procurable a policy of title insurance in the amount of the purchase price insuring Purchaser's interest in the property pursuant to this contract. (b) The parties agree that Seller shall have the privilege of remaining on the above described property without payment of rent or other charges until March 31, 1979.

IN WITNESS WHEREOF, the parties have executed this instrument this 7th day of March, 1979.
