Prior to construction of any improvements on the reconveyed property, Skamania County shall submit to the Department its plan of development so that timber that needs to be removed to accommodate development can be described, marked and sold for harvest by the Department. Such plan shall be submitted in advance of construction, so that timber sale procedures can be carried out.

Exhibit A, attached, shows the current site plan. Major modifications to the plan shall be submitted to Department of Natural Resources by the Board of Skamania County Commissioners.
