LAND CORNER RECORD

T 4 N, R 7 1/2 E, W.M.; Skamania county

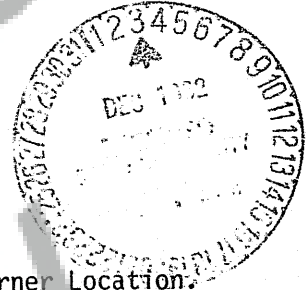

Corner Code Number: R-23

Page 1 of 1

Name: North one-quarter corner common to Sections 24 and 25; Corner Number R-23
 DLC, HES Mining Claim, Indian Allotment, Federal Reserve, Townsite

1. History of Corner Establishment and Subsequent Restoration; description of Evidence Found:

I searched extensively for this corner. Close to the corner, I found two 1902 blazes; one on the North side of line was right at the corner and was an axe mark burned from the 1903 fire. The other was a line blaze on the South side of line of a live tree. A ring count indicated it was blazed in 1902. About 75 feet North, there is a 40-year old blazed line. I found the 5-foot diameter live tree 430 feet to the West. All that was left of this tree was a burned out root collar. We used the live tree and the Northeast Section Corner to proportion the Easting, and the original blaze line for Northing.

2. Describe Monument, Accessories and Corollary Data to Perpetuate this Corner Location. Diagram corner and indicate meridian and reference to map of record.
