LAND CORNER RECORD

T 4 N, R 7 E, W.M.; Skamania County

Corner Code Number: P-25

Page 1 of 1

Name: East One-quarter Corner of Section 24; Corner Number P-25
 DLC, HES Mining Claim, Indian Allotment, Federal Reserve, Townsite

1. History of Corner Establishment and Subsequent Restoration; description of Evidence Found:

I found a number of original line blazes on both sides of the line, about 300 feet North of the corner. These blazes are in undisturbed old growth timber. I ran a compass line South from these blazes and found only one down log on the South side of a creek that fit the original notes. Using the log, creek and line blazes, I set the corner on the West side of the 4-foot diameter log 33 feet South of the creek as called for in the GLO notes. The line tree 50 feet North of the corner was in the flood plain of the creek and was not visible.

2. Describe Monument, Accessories and Corollary Data to Perpetuate this Corner Location. Diagram corner and indicate meridian and reference to map of record.
