1. History of Corner Establishment and Subsequent Restoration; description of Evidence Found:

Found the remains of an old East-West fence that Mr. Agun said was quite old in 1930 when he first moved there. At record GLO distance of North 10° East and 214.5 feet I found the remains of the 36 inch fir bearing tree called for in the GLO notes. The distance fits Mr. Agun's deed distance from a pipe at the road intersection to the West.
