

"Victoria Claim No. 5. St. Helens Mining District.

Notice of Location of Quartz Claim

Notice is hereby given that the undersigned, a citizen of the United States, over the age of twenty-one years, on the 13th day of July 1899, discovered a vein or lode of quartz or sand rock in place bearing Gold, Silver or Lead, within the limits of the claim hereby located, and have this 13th day of July 1899, under and in accordance with the Revised Statutes of the United States, located fifteen hundred linear feet of said vein or lode in length, with surface ground, three hundred feet in width on each side of the center of said lode, situated in the St. Helens Mining District, County of Skamania and State of Washington and known as the Victoria Claim No. 5. Mining Claim, and extending fifteen hundred feet in and from this notice at the discovery or prospect shaft; the exterior boundaries of this claim being distinctly marked by reference to natural objects or permanent monuments, and more particularly described as follows, to-wit:

Beginning at the center of what is known as Lake Creek a tributary to the North Fork of Lewis River and running 1500 feet in a northwest direction and 300 feet on each side of center of said vein. The discovery is about 300 feet above the mouth of Jumbo Creek, and about 600 feet below the Eureka Discovery on the east side of the Continental Range, and that I intend to hold and work said above described claim as provided by the local laws and the customs and rules of miners, and mining statutes and laws of the United States. Discovered on the ground

Located July 13th 1899
