

"Peacock" Claim. Bald Mountain Mining District.

Certificate of Location of Land Mining Claim.

I, Jonathan Bourne Jr., a citizen of the United States, hereby certify that on the 28th day of September 1899, I discovered within the limits of the claim hereinafter described a lode of rock in place bearing gold, silver, copper and other valuable minerals; that thereafter, and prior to recording this certificate, I located said in the following manner: On the 28th day of September, 1899, I posted at the point of discovery a plain notice, of which the following is a copy, to wit:

Notice of Location.

Notice is hereby given that I, Jonathan Bourne Jr., a citizen of the United States, have discovered a lode of rock in place carrying gold, silver, copper and other valuable deposits, upon which, at the point of discovery, I have posted this notice.

In accordance with the laws of the United States and of the State of Washington, I hereby claim fifteen hundred linear feet of said vein and lode, measured thereon as hereinafter set forth. The general course of this lode is South 09° 50' East. I claim in length thereon fifteen hundred feet southeasterly from the point of discovery, at which this notice is posted. I also claim three hundred feet on each side of the center of said lode.

Said lode is situated in the Bald Mountain mining District in the County of Skamania, State of Washington.

It shall be known as the Tolman lode, and this claim shall be known as the Peacock lode claim. Said discovery was made September 28th 1899.

In accordance with the laws of the State of Washington, I claim ninety days from the date of such discovery to enable me to mark the surface boundaries of the claim, and to otherwise perfect and record the location of said claim.

Dated and posted on the ground September 28th 1899,

Jonathan Bourne Jr.
Locator

agent

On the 29th day of September 1899, I marked the surface boundaries of said claim by placing substantial posts

bearing, the name of the lode and of the claim, and date of location, at each corner of said claim, said posts being not less than three feet high and four inches in diameter and cut the brush and marked and blazed the trees along the line of said claim to indicate the location of such lines.

The general course of said lode is South $69^{\circ}50'$ East
claim fifteen hundred linear feet on said lode, to wit:
fifteen hundred feet in length southeasterly from point of discovery, and in width four hundred feet on each side of the center of said lode, and all mineral deposits contained within the surface boundaries of said claim, as hereinafter described.

Said claim is and shall be known as the Peacock lode claim. Said claim is situated in the Bald Mountain Mining District, in the County of Okanogan, State of Washington, and as marked on the ground the surface boundary of said claim is particularly described as follows, to wit:

Beginning at a post in a mound of rock at the corner west corner of said claim (the same being also the southwest corner of the Spruce Claim) said post being 124 $\frac{1}{2}$ feet South and 10 $\frac{1}{2}$ West of the Northwest corner of section 28 in Township 3 North of Range 5 East of the Willamette Meridian, and running thence ^{out} $69^{\circ}50'$ East, along the easterly boundary of the Spruce Claim fifteen hundred (1500) feet, thence South 9 $^{10}'$ West six hundred (600) feet; thence North $69^{\circ}50'$ West fifteen hundred (1500) feet; - thence North 9 $^{10}'$ East six hundred (600) feet back to the place of beginning.

I intend to hold and work said above-described claim as provided by the laws of the United States and of the State of Washington.

Dated September 29th 1899
