

"Hemlock" Claim, Bald Mountain Mining District.  
 Notice of Amended Location of Lumpy Mining Claim

Notice is hereby given that J. W. A. Howe, a citizen of the United States, having complied with the requirements of the laws of the United States and of the State of Washington, and the local customs, laws and regulations, have located, and claim by virtue of the original discovery and location and this amended certificate of location, fifteen hundred linear feet on this the Hoo Hoo lode of mineral bearing quartz, and eighty-five feet in width on the northerly side of the center of said lode, and 300 feet in width on the southerly side of said lode, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto. This claim is situated on the Bald Mountain Mining District, in the County of Skamania, State of Washington, and shall be known as the Hemlock Mining Claim.

The general course of said lode is South  $69^{\circ}50'$  East and I claim in length on said lode fifteen hundred feet South-easterly from the point of discovery, at which point I have posted an original duplicate of this notice.

I have marked the surface boundaries of this claim by placing substantial posts not less than three feet high and four inches in diameter at each corner of said claim, bearing the name of the lode and of the claim and the date of location, and have cut the brush and marked and blazed the trees along the lines of said claim to indicate the location of said lines.

The surface boundary of this claim is particularly described as follows, to-wit:

Beginning at a post in a mound of rock at the south west corner of said claim (being also the southeast corner of the Omnia Bone Bonis claim) said post being 905 feet North and 2454 feet East of the Northwest corner of Section 28 in Township 3 North of Range 5 East of the Willamette Meridian and running thence South  $69^{\circ}50'$  East fifteen hundred (1500) feet; thence North  $32^{\circ}$  East 385 feet; thence North  $69^{\circ}50'$  West fifteen hundred (1500) feet; thence South  $32^{\circ}$  West 385 feet to place of beginning.

And I intend to hold and work said above described claim as provided by the laws of the United States and of the State of Washington.

This is an amended location of the ..... claim, discover-

ed. by H. C. Lawton on the day of July 1897, and located on the day of July 1897, and recorded at page 389 of Book "C" of Miscellaneous Records of Okanogan County, Washington, I now being the owner of said claim by purchase and conveyance from said original locator.

This amended certificate of location is made without waiver of any rights previously acquired by me by virtue of said original location, purchase and conveyance, and for the purpose of correcting any errors in the original location, description or record of said claim, and of taking in any additional ground which is subject to location, and any part of any overlapping claim which has been abandoned.

This amended certificate dated this 28<sup>th</sup> day of September 1899
