

"Bornite" Claim, Bald Mountain Mining District

Notice of Amended Location of Quartz Mining Claim.

Notice is hereby given that J. E. A. Geestel, a citizen of the United States, having complied with the requirements of the laws of the United States and of the State of Washington, and the local customs, laws and regulations, have located, and claim by virtue of the original discovery and location and this amended certificate of location, fifteen hundred linear feet on the the Chimney Rocks lode of mineral bearing quartz, and three hundred feet in width on each side of the center of said lode, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto. This claim is situated in the Bald Mountain Mining District, in the County of Skamania, State of Washington, and is now and shall be known as the Bornite Mining Claim.

The general course of said lode is North $69^{\circ}30'$ West, and I claim in length on said lode fifteen hundred (1500) feet North westerly from the point of discovery, at which point I have posted an original duplicate of this notice. I have marked the surface boundaries of this claim by placing substantial posts not less than three feet high and four inches in diameter at each corner of said claim, bearing the name of the lode and of the claim and the date of location, and have cut the brush and marked and staked the lines along the lines of said claim to indicate the location of said lode.

The surface boundary of this claim is particularly described as follows, to wit:

Beginning at a post on a mound of stone at the Northeast corner of said claim, being also the Northwest corner of the Ditto Mining claim; said post is nine hundred one and one half ($901\frac{1}{2}$) feet east, and ninety one and one half ($91\frac{1}{2}$) feet south of the quarter section corner on the North boundary of Section numbered twenty eight (28) in Township 3 North of Range 5 East of the Willamette meridian. Thence North $69^{\circ}30'$ West fifteen hundred (1500) feet; Thence South 32° West six hundred (600) feet; Thence South $69^{\circ}30'$ East fifteen hundred (1500) feet; Thence North 32° East six hundred (600) feet to the place of beginning.

And I intend to here and work said above described claim as provided by the laws of the United States and of the State of Washington.

This is an amended location of the Chimney Rock claim, described

by E. A. Gerstel on the 25th day of July 1899, and located on the 25th day of July 1899, and recorded at page 224 of Book "I" of Miscellaneous Records of Skamania County, Washington, I now being the owner of said claim.

This amended certificate of location is made without waiver of any rights previously acquired by me by virtue of said original location, and for the purpose of correcting any errors in the original location, description or record of said claim, and of taking in any additional ground which is subject to location, and any part of any overlapping claim which has been abandoned.

This amended certificate dated this 14th day of October 1899.
