

"Lone Star" Claim, Bald Mountain Mining District

Certificate of Location of Lode Bald Mountain Mining Claim.

I, Jonathan Baume Jr., a citizen of the United States, hereby certify that on the 15th day of September 1899, I discovered within the limits of the claim hereinafter described a lode of rock in place bearing gold, silver, copper and other valuable minerals; that thereafter, and prior to recording this certificate, I located said claim in the following manner: On the 16th day of October 1899, I posted at the point of discovery a notice, of which the following is a copy. To wit:

Notice of Location

Notice is hereby given that I, Jonathan Baume Jr., a citizen of the United States, have discovered a lode of rock in place carrying gold, silver, copper and other valuable deposits, upon which, at the point of discovery, I have posted this notice.

In accordance with the laws of the United States and of the State of Washington, I hereby claim fifteen hundred linear feet of said vein and lode, measured thereon as hereinafter set forth. The general course of this lode is North $59^{\circ} 52'$ West. I claim in length thereon, 1441 feet Northwesterly and 59 feet Southeastly from the point of discovery at which this notice is posted. I also claim three hundred feet on each side of the center of said lode.

Said lode is situated in the Bald Mountain Mining District in the County of Skamania, State of Washington. It shall be known as the Shell Rock lode, and this claim shall be known as the Lone Star lode claim. Said discovery was made September 15th 1899.

In accordance with the laws of the State of Washington, I claim thirty days from date of such discovery to enable me to definitely mark the surface boundaries of the claim, and to otherwise perfect and record the location of said claim.

Dated and posted on the ground October 16th 1899.

On the 17th day of October 1899, I marked the surface boundaries of said claim by placing substantial posts bearing the name of the lode and of the claim, said posts being not less than three feet high, and four inches in diameter, and set the bound and marked and blazed the lines along the lines of said claim to indicate the location of such line.

The general course of said lode is North $59^{\circ} 52'$ West. It claim fifteen hundred linear feet on said lode, to-wit: - 1441 feet in length, Northwesterly and 59 feet in length Southeastely from point of discovery, and in width three hundred feet on each side of the center of said lode, and all mineral deposits contained within the surface boundaries of said claim, as hereinafter described.

Said claim is and shall be known as the Lone Star Lode claim. Said claim is situated on the southerly side of the Half Moon Mining claim in the Bald Mountain Mining District, in the County of Skarnania, State of Washington, and as marked on the ground the surface boundary of said claim is particularly described as follows, to-wit:

Beginning at a post in a mound of stone at the southeast corner of said claim: said post being also the southeast corner of the Advance Mining claim. The post is sixteen hundred, sixty six and one half ($1666\frac{1}{2}$) feet North and five hundred and sixty nine (569) feet west of the northwest corner of section numbered twenty-eight (28) in Township three (3) North of Range five (5) East of the Willamette Meridian. Thence North $59^{\circ} 52'$ West fifteen hundred (1500) feet. Thence North 32° East six hundred (600) feet: Thence South $59^{\circ} 52'$ East fifteen hundred (1500) feet: Thence South 32° West six hundred (600) feet to the place of beginning.

And I intend to hold and work said above described claim as provided by the laws of the United States and of the State of Washington.

Dated October 14th 1899
