Notice of Amended Location of Lode Mining Claim.

Notice is hereby given that J. N. A. Perry, a citizen of the United States, having complied with the requirements of the laws of the United States and of the State of Washington, and the local customs, laws and regulations, have located, and claim by virtue of the original discovery and location and this amended certificate of location, fifteen hundred linear feet on this the Yellow Jacket lode of mineral bearing quartz, and three hundred (300) feet in width on the northeasterly side of the center of said lode, and two hundred (200) feet in width on the southwesterly side of the center of said lode, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto. This claim is situated in the Bald Mountain Mining District, in the County of Skamania, State of Washington, and is now and shall be known as the Yellow Jacket Mining Claim.

The general course of said lode is South $69^{\circ}50'$ East and I claim in length on said lode fifteen hundred (1500) feet southeasterly from the point of discovery, at which point I have posted an original duplicate of this notice. I have marked the surface boundaries of this claim by placing substantial posts not less than three feet high and four inches in diameter at each corner of said claim, bearing the name of the lode and of the claim and the date of location, and have cut the brush and marked and blazed the trees along the lines of said claim to indicate the location of said lines.

The surface boundaries of this claim is particularly described as follows, to wit:

Beginning at a post in a mound of stone, at the northeast corner of said claim: Said post is six hundred twenty one and one half ($621\frac{1}{2}$) feet North and five hundred and eighty (580) feet East of the northeast corner of Section twenty eight (28), in Township three (3) North, Range five (5) East of the Willamette Meridian: Thence North $69^{\circ}50'$ West, fifteen hundred (1500) feet: thence North 32° West five hundred (500) feet: thence South $69^{\circ}50'$ East, fifteen hundred (1500) feet: thence North 32° East, five hundred (500) feet to the place of beginning.

And I intend to hold and work said above described claim as provided by the laws of the United States and of the State of Washington.

This is an amended location of the Yellow Jacket claim, discovered by N. A. Peery on the 25th day of July 1899, and located on the 25th day of July 1899, and recorded at page 228 of Book "D" of Miscellaneous Records of Skamania County, Washington, I now being the owner of said claim.

This amended certificate of location is made without waiver of my rights previously acquired by me by virtue of said original location, and for the purpose of correcting any errors in the original location, description and record of said claim, and of taking in any additional ground which is subject to location, and any part of any overlapping claim which has been abandoned.

This amended certificate dated this 11th day of November, 1899.
