

"Hiawatha" Claim. St. Helens Mining District.

Location Notice.

Notice is hereby given, That the undersigned, in compliance with the requirements of the Revised Statutes of the United States have this day located and claim fifteen hundred linear feet along the course of this lead, lode or vein of mineral bearing quartz three hundred feet in width on each side of the middle of said lead, lode or vein, together with all mineral deposits contained therein, and all timber growing within the limits of said claim, and all water and water privileges thereon or appurtenant thereto, situate in the St. Helens Mining District, County of Skamania, State of Wash., and more particularly described as follows, to wit:

Commencing at discovery at Southern boundary of "Florence" mine and extending in a southerly direction fifteen hundred feet along course of vein, across divide between head waters of Grizzly Creek and Green River. This is a new discovery and shall be known as the Hiawatha Mine.

Located Sept. 6th 1899.
