

"Bouncer Fraction" claim. Bald Mountain Mining District.

Certificate of Location of Quartz Mining Claim.

I, J. M. Atkinson, a citizen of the United States, hereby certify that on the 16th day of March 1900, I discovered within the limits of the claim hereinafter described a lode of rock in place bearing gold, silver, copper and other valuable minerals; that thereafter, and prior to recording this certificate, I located said claim in the following manner. On the 16th day of March 1900, I posted at the point of discovery a plain notice, of which the following is a copy, to wit:

Notice of Location.

Notice is hereby given that I, J. M. Atkinson, a citizen of the United States, have discovered a lode of rock in place carrying gold, silver, copper and other valuable deposits, upon which, at the point of discovery, I have posted this notice.

In accordance with the laws of the United States and of the State of Washington, I hereby claim fifteen hundred linear feet of said vein and lode, measured thereon as hereinafter set forth. The general course of this lode is South 79° 55' East at claim in length thereon six hundred and fifty feet South 79° 55' East from the point of discovery at which this notice is posted. I also claim Sixty (60) feet on each side of the center of said lode.

Said lode is situated in the Bald Mountain Mining District in the County of Skamania, State of Washington. It shall be known as the "North Rose" lode, and this claim shall be known as the "Bouncer Fraction" lode claim. Said discovery was made March 16 1900.

In accordance with the laws of the State of Washington, I claim ninety days from date of such discovery to enable me to definitely mark the surface boundaries of the claim, and to otherwise perfect and record the location of said claim.

Dated and posted on the ground March 1900

On the day of March 20 1900, I marked the surface boundaries of said claim by placing substantial posts bearing the name of the lode and of the claim, and

date of location, at each corner of said claim, said posts being not less than three feet high, and four inches in diameter and cut the brush and marked and blazed the trees along the line of said claim to indicate the location of such line.

The general course of said lode is South $79^{\circ}55'$ East I claim six hundred and fifty feet on said lode, to wit: Six hundred and fifty feet in length South $79^{\circ}55'$ East from point of discovery, and in width thirty (60) feet on each side of the center of said lode, and all mineral deposits contained within the surface boundaries of said claim, as hereinabove described.

Said claim is and shall be known as the Pionner Fraction lode claim. Said claim is situated in the Bald Mountain mining district, in the County of Skamania, State of Washington, and as marked on the ground. The surface boundary of said claim is particularly described as follows, to wit:

Beginning at a post in a mound of stone, at the Southwest corner of the claim, said post being also at the Northwest corner of the Pionner Mining Claim. This post is three thousand, three hundred and thirty two (3332) feet South and three thousand six hundred, seventy three and one half ($3273\frac{1}{2}$) feet East of the Northwest corner of section numbered twenty eight (28) in Township 3 North of Range 5 East of the Willamette Meridian. Hence South $79^{\circ}55'$ East six hundred and fifty (650) feet; hence North $17^{\circ}30'$ East, one hundred and twenty (120) feet; hence South $79^{\circ}55'$ West, six hundred and fifty (650) feet; hence South $17^{\circ}35'$ West, one hundred and twenty (120) feet to the place of beginning.

I intend to hold and work said above-described claim as granted by the laws of the United States and of the State of Washington.
