

desiring to enter animals of any kind, and that the said Lake, to the best of my knowledge and belief, is not by reason of its proximity to other lands reserved, excluded from recreation by the regulations and ruling of the Land Department. The waters of said Lake will cover an area of 1600 acres, unimproved land in Township 9 N. R. 5 E. W. 16. of said lands, the capacity of the Lake will be approximately 6,969,600,000 gallons. The source of the water for the Lake is the small Mountain streams from the range of mountains bordering the Lake on the East, North and West. The applicant has filed no other declaratory statement under this act, except the one mentioned for flume line, and I further certify that this is the true full purpose and intention of this applicant to use said Lake for the purpose herein set forth and maintain the same in accordance with the provisions of said act of Congress, and such regulations as are or may be prescribed thereunder.
