

Nature of Water Location

Know all men by these presents that the undersigned by virtue of the rights given  
 them by the laws and statutes of the United States and local customs of the State of Washington  
 do hereby claim the water of this stream known as Coldwater and having its source in  
 unnumbered Mountain land and within the proposed Mount Rainier Government Reserve,  
 the water supply is furnished by several small lakes and mountain streams in the forest  
 lake range, one of the lakes being <sup>that</sup> name situated in Skamania County and which is  
 known the St. Helens Mtny Ditch, State of Washington. The water hereby claimed  
 flows down due south into the middle fork of the Toutle River, in boundary county  
 State of Washington. The amount of water hereby claimed is in amount of about 2000  
 cubic feet per second of time. The purpose of this claim is to divert the water as above  
 described and appropriated into a flume or pipe, and convey said water through a portion  
 of said County to some point as near as can be determined in section 11 Township 9 North  
 Range 4 East 11.00 from this notice and there after utilized for raising, milling  
 and manufacturing purposes, generating electricity for general purposes applying water  
 to towns, cities and villages or otherwise. It is intended to divide the above described  
 water by placing in the streams at point of diversion a concrete box of suitable  
 proportion to conduct the said water into the pipe flume or open ditch as may be  
 determined. The exact place of diversion cannot be determined but will be no above  
 three and one half miles from head water, at the point when this notice is posted  
 more or less. Dated this 3. day of August 1906.
