

Waterright

Notice is hereby given that the undersigned, desiring to avail himself of the rights and privileges provided by law for the appropriation of water, does hereby appropriate the water here and flowing in and from Hamilton brook, in the County of Skamania, State of Washington, to the extent of 20 cubic feet per second of time, which claim the undersigned makes for himself, his heirs, executors, administrators and assigns.

The water hereby appropriated to be taken and diverted at or near the point where this notice is posted, to-wit: At or near a point about 250 feet South of the point where the Sectional line between Sections Six (6) and Seven (7) in Township Two (2) North of Range Seven back of the Willamette Meridian, intersects the said Hamilton Creek in said County of Multnomah, State of Washington. The water to be taken from said place of diversion by means of a dam, flumes, pipes and ditches as may be convenient or necessary. The water so converted to be used for manufacturing power water-supply, domestic and irrigation purposes in Section Sixteen (16) and in such other sections as may be desired, in Township Two (2) North of Range Seven back of the Willamette Meridian.

Dated this 21st day of March 1908
