

Notice of Appropriations of Water.

Notice is hereby given that, in accordance with the provisions of the laws of the state of Washington, respecting water rights, the undersigned, The Skamania Gold & Copper Mining Company, a corporation, has appropriated, and does hereby appropriate, sixteen cubic feet of water, flowing to the extent of sixty feet per second of time flowing in Blue Bird Creek, Skamania County, state of Washington.

That the purpose for which said water is appropriated by the undersigned, is for mining purposes, and that it is the intention of the appropriator to divert it from said Blue Bird Creek at a point on the left bank of said Blue Bird Creek at a point just above what is known as Blue Bird Falls (at which point a duplicate of this notice is posted), and to conduct said water thence down the left bank of said stream in an easterly direction about two hundred fifty yards to a water wheel, there to furnish water power for the purpose of generating electricity and for all other purposes incident thereto.

That the means by which the undersigned intends to divert said water is by a flume four feet wide at the top, four feet wide at the bottom and four feet deep, and when necessary or convenient, by means of pipes of carrying capacity equal to the quantity of water hereby appropriated.
